PROPOSED AGENDA:

The Wireline Competition Bureau, Consumer & Governmental Affairs Bureau, and the Wireless Telecommunications Bureau of the Federal Communications Commission (FCC) provide panelist names and other information about the first two events in the Open Internet roundtable series: “Policy Approaches to Ensure an Open Internet” and “Mobile Broadband and the Open Internet,” which will both take place on September 16, 2014. These workshops were previously announced in a Public Notice. At that time, it was unclear whether the workshop would be a “meeting” of the Commission. As such, that

Public Notice was not published in the Federal Register. This Public Notice shall serve as notice that a quorum of Commissioners may be present at one or more roundtables, in compliance with Part 0, Subpart F of the Commission's rules. This Notice does not, however, change the "permit-but-disclose" status of the Open Internet proceeding under the Commission's ex parte rules.
