

BILLING CODE 3510-22-P

DEPARTMENT OF COMMERCE

National Oceanic and Atmospheric Administration

50 CFR Part 648

[Docket No. 140214138-4482-02]

RIN 0648-XD511

Fisheries of the Northeastern United States; Bluefish Fishery; Quota Transfer

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Temporary rule; quota transfer.

SUMMARY: NMFS announces that the State of Maine is transferring a portion of its 2014 commercial bluefish quota to the Commonwealth of Massachusetts. By this action, NMFS adjusts the quotas and announces the revised commercial quota for each state involved.

DATES: Effective [Insert date of filing for public inspection at the Office of the Federal Register], through December 31, 2014.

FOR FURTHER INFORMATION CONTACT: Carly Bari, Fishery Management Specialist, 978-281-9224.

SUPPLEMENTARY INFORMATION: Regulations governing the bluefish fishery are found at 50 CFR part 648. The regulations require annual specification of a commercial quota that is apportioned among the coastal states from Florida through Maine. The process to set the annual commercial quota and the percent allocated to each state are described in § 648.162.

The final rule implementing Amendment 1 to the Bluefish Fishery Management Plan, which was published in the Federal Register on July 26, 2000 (65 FR 45844), provided a mechanism for bluefish quota to be transferred from one state to another. Two or more states,

under mutual agreement and with the concurrence of the Administrator, Greater Atlantic Region, NMFS (Regional Administrator), can transfer or combine bluefish commercial quota under § 648.162(e). The Regional Administrator is required to consider the criteria in § 648.162(e)(1) in the evaluation of requests for quota transfers or combinations.

Maine has agreed to transfer 45,000 lb (20,412 kg) of its 2014 commercial quota to Massachusetts. This transfer was prompted by the diligent efforts of state officials in Massachusetts not to exceed the commercial bluefish quota. The Regional Administrator has determined that the criteria set forth in § 648.162(e)(1) have been met. The revised bluefish quotas for calendar year 2014 are: Maine, 4,861 lb (2,205 kg); and Massachusetts, 545,970 lb (247,648 kg).

#### Classification

This action is taken under 50 CFR part 648 and is exempt from review under Executive Order 12866.

Authority: 16 U.S.C. 1801 et seq.
