SECURITIES AND EXCHANGE COMMISSION
(Release No. 34-73258; File No. SR-CME-2014-38)

September 30, 2014

Self-Regulatory Organizations; Chicago Mercantile Exchange Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change to Settlement Procedures Regarding a CME Cleared OTC FX Spot, Forward and Swap Contract

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”)¹ and Rule 19b-4 thereunder² notice is hereby given that on September 22, 2014, Chicago Mercantile Exchange Inc. (“CME”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I, II and III below, which Items have been prepared primarily by CME. CME filed the proposal pursuant to Section 19(b)(3)(A) of the Act,³ and Rule 19b-4(f)(4)(ii)⁴ thereunder, so that the proposal was effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

CME is filing proposed rule changes that are limited to its business as a derivatives clearing organization. More specifically, the proposed rule change contains amendments to certain aspects of CME’s settlement procedures for one of CME’s Cleared Over-the-Counter Foreign Exchange Spot, Forward and Swap Contracts.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, CME included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. CME has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of these statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

CME is registered as a DCO with the Commodity Futures Trading Commission and offers clearing services for many different futures and swaps products. The proposed rule change that is the subject of this filing is limited to CME's business as a DCO offering clearing services for CFTC-regulated swaps products. CME currently offers clearing services for cleared-only OTC FX contracts on a number of different currency pairs. These CME Cleared OTC FX Spot, Forward and Swap Contracts are non-deliverable foreign currency forward contracts and, as such, are considered to be "swaps" under applicable regulatory definitions.⁵ CME proposes to make amendments to one of these contracts.

The proposed amendments would affect CME Rule 279H.02.A ("Day of Cash Settlement") of Chapter 279H – Cleared OTC U.S. Dollar/Indian Rupee (USD/INR) Spot, Forwards and Swaps (Commodity Code: USDINR). More specifically, CME is proposing to update Rule 279H.02.A with this filing to reflect the amended time that the Reserve Bank of India will publish the spot exchange rate. There is currently no open interest in this contract.

⁵ See Commodity Futures Trading Commission and Securities and Exchange Commission Joint Final Rule Defining "Swap," "Security-Based Swap," and "Security-Based Swap Agreement;" Mixed Swaps; Security-Based Swap Agreement Recordkeeping; Final Rule, 77 FR 48207, 48255 (Aug. 13, 2012).

The changes that are described in this filing are limited to CME’s business as a DCO clearing products under the exclusive jurisdiction of the CFTC and do not materially impact CME’s security-based swap clearing business in any way. The changes will be effective on filing. CME notes that it has also certified the proposed rule change that is the subject of this filing to its primary regulator, the Commodity Futures Trading Commission (“CFTC”), in a separate filing, CME Submission No. 14-388. The text of the CME proposed rule amendments is attached, with additions underlined and deletions in brackets.

CME believes the proposed rule change is consistent with the requirements of the Exchange Act including Section 17A of the Exchange Act.⁶ CME is updating its rules to reflect new practices by the Reserve Bank of India, that is, changes to when the relevant spot exchange rate is published. Conforming to these changes will benefit market participants clearing OTC FX swaps contracts with CME and, as such, should be seen to be designed to promote the prompt and accurate clearance and settlement of securities transactions and, to the extent applicable, derivatives agreements, contracts, and transactions, to assure the safeguarding of securities and funds which are in the custody or control of the clearing agency or for which it is responsible, and, in general, to protect investors and the public interest consistent with Section 17A(b)(3)(F) of the Exchange Act.⁷

Furthermore, the proposed changes are limited in their effect to products offered under CME’s authority to act as a DCO. The products that are the subject of this filing are under the exclusive jurisdiction of the CFTC. As such, the proposed CME changes are limited to CME’s activities as a DCO clearing swaps that are not security-based swaps, futures that are not security futures and forwards that are not security forwards. CME notes that the policies of the CFTC

⁷ 15 U.S.C. 78q-1(b)(3)(F).

with respect to administering the Commodity Exchange Act are comparable to a number of the policies underlying the Exchange Act, such as promoting market transparency for over-the-counter derivatives markets, promoting the prompt and accurate clearance of transactions and protecting investors and the public interest.

Because the proposed changes are limited in their effect to OTC FX products offered under CME's authority to act as a DCO, the proposed changes are properly classified as effecting a change in an existing service of CME that:

- (a) primarily affects the clearing operations of CME with respect to products that are not securities, including futures that are not security futures, swaps that are not security-based swaps or mixed swaps, and forwards that are not security forwards; and
- (b) does not significantly affect any securities clearing operations of CME or any rights or obligations of CME with respect to securities clearing or persons using such securities-clearing service.

As such, the changes are therefore consistent with the requirements of Section 17A of the Exchange Act⁸ and are properly filed under Section 19(b)(3)(A)⁹ and Rule 19b-4(f)(4)(ii)¹⁰ thereunder.

B. Self-Regulatory Organization's Statement on Burden on Competition

CME does not believe that the proposed rule change will have any impact, or impose any burden, on competition. The amendments would update CME rules to reflect the amended time when the Reserve Bank of India publishes the relevant spot exchange rate. Therefore, the changes merely conform CME's contracts and practices to relevant international standards.

⁹ 15 U.S.C. 78s(b)(3)(A).

¹⁰ 17 CFR 240.19b-4(f)(4)(ii).

Further, the changes are limited to CME's derivatives clearing business and, as such, do not affect the security-based swap clearing activities of CME in any way and therefore would not impose any burden on competition that is inappropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants or Others

CME has not solicited, and does not intend to solicit, comments regarding this proposed rule change. CME has not received any unsolicited written comments from interested parties.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective upon filing pursuant to Section 19(b)(3)(A)¹¹ of the Act and Rule 19b-4(f)(4)(ii)¹² thereunder. At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments:

- Use the Commission's Internet comment form (<http://www.sec.gov/rules/sro.shtml>); or
