ED is soliciting comments on the proposed information collection request (ICR) that is described below. The Department of Education is especially interested in public comment addressing the following issues: (1) is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this

*Title of Collection:* State Educational Agency and Local Educational Agency- School Data Collection and Reporting under ESEA, Title I, Part A

*OMB Control Number:* 1810-0622

*Type of Review:* An extension of an existing information collection.

*Total Estimated Number of Annual Responses:* 52

*Total Estimated Number of Annual Burden Hours:* 2,080

*Abstract:* Although the U.S. Department of Education (ED) determines Title I, Part A allocations for Local Educational Agencies (LEAs), State Educational Agencies (SEAs) must adjust ED-determined Title I, Part A LEA allocations to account for newly created LEAs and LEA boundary changes, to redistribute Title I, Part A funds to small LEAs (under 20,000 total population) using alternative poverty data, and to reserve funds for school improvement, State administration, and the State academic achievement awards program. This control number covers only the burden associated with the actual procedures an SEA must follow when adjusting ED-determined LEA allocations.
