FOR FURTHER INFORMATION CONTACT: Thomas A. Nies, Executive Director, New England Fishery Management Council; telephone: (978) 465-0492.

SUPPLEMENTARY INFORMATION:

The items of discussion on the agenda are:

The panel will review Action Plans for the 2016-18 Atlantic herring fishery specifications and an amendment to the Atlantic Herring FMP to consider control rules for the Atlantic herring fishery that account for herring's role as forage in the ecosystem (Amendment 8). They will also discuss possible cooperative research priorities for any research set-aside that may be allocated in 2016-18 during the Atlantic herring fishery specifications process and develop recommendations. The Panel plans to review/discuss a draft scoping document for an amendment to the Herring FMP to consider control rules for the Atlantic herring fishery that account for herring's role as forage in the ecosystem and develop recommendations; They will also review/discuss options under consideration in the NMFS-led omnibus Industry-Funded Monitoring Amendment to address observer coverage on Atlantic herring vessels and develop recommendations. The panel will discuss other business as necessary.

Although non-emergency issues not contained in this agenda may come before this group for discussion, those issues may not be the subject of formal action during this meeting. Action will be restricted to those issues specifically listed in this notice and any issues arising after publication of this notice that require emergency action under section 305(c) of the Magnuson-Stevens Act, provided the public has been notified of the Council's intent to take final action to address the emergency.
