Abstract: Owners or operators of leather finishing operations that are subject to 40 CFR part 63, subpart TTTT are required to provide initial notifications, performance tests, and periodic reports. They are also required to maintain records of the occurrence and duration of any startup, shutdown, or malfunction in the operation of an affected facility, or any period during which the monitoring system is inoperative. The required annual reports are used to determine periods of excess emissions, identify problems at the facility, verify operation/maintenance procedures and for compliance determinations.

Form Numbers: None.

Respondents/affected entities: Owners or operators of leather finishing operations that are a major source of HAP emissions.

Respondent's obligation to respond: Mandatory (40 CFR Part 63, Subpart TTTT).

Estimated number of respondents: 10 (total).

Frequency of response: Initially, occasionally and annually.

Total estimated burden: 334 hours (per year). Burden is defined at 5 CFR 1320.3(b).

Total estimated cost: \$32,651(per year), including no annualized capital or operation & maintenance costs.

Changes in the Estimates: There is no change of hours in the total estimated respondent burden compared with the ICR currently approved by OMB.
