**SUPPLEMENTARY INFORMATION:**

The Federal Transit Administration (FTA) has published proposed guidance on FTA's Emergency Relief (ER) Program for states and transit agencies that may be affected by a declared emergency or disaster and that may seek Federal disaster assistance for emergency related expenses. This guidance document, *Reference Manual for States & Transit Agencies on Response and Recovery from Declared Disasters and FTA's Emergency Relief Program*, includes information on disaster relief resources available for transit systems from both FTA and FEMA, in addition to detailed program guidance and application instructions for FTA's Emergency Relief Program. This manual has been produced in coordination with FEMA, and incorporates current guidance on FEMA disaster relief programs. This includes guidance for transit agencies on the appropriate circumstances under which to apply to FTA or FEMA for disaster relief assistance.

This reference manual includes background information on other sources of Federal disaster relief assistance, in addition to recommended practices for states and transit agencies for disaster preparation and response, that was previously included in "Response and Recovery from Declared Emergencies and Disasters: A Reference for Transit Agencies." This information has been updated and is contained in Chapters 1, 2 and 3 of this reference manual.

Guidance specific to FTA's ER Program is contained in Chapter 4 of this reference manual. This includes an overview of eligible recipients, eligible projects, application procedures, and other key program policies and requirements. The guidance in this manual is based on final program regulations published on October 7, 2014 at 49 CFR part 602 (79 FR 60349), which were developed through a public notice and comment process. In addition, the guidance document includes previously issued policy statements and information from **Federal Register** notices that FTA published subsequent to Hurricane Sandy. The document has been placed in the docket and has been posted on FTA's website at [www.fta.dot.gov/emergencyrelief](http://www.fta.dot.gov/emergencyrelief). With this notice, FTA invites public comment on this proposed guidance.

Acting Administrator.
