I. Introduction

On April 22, 2015, the Postal Service filed notice that it has agreed to an Amendment to the existing Priority Mail Contract 64 negotiated service agreement approved in this docket.¹ In support of its Notice, the Postal Service includes a redacted copy of the Amendment.

The Postal Service also filed the unredacted Amendment under seal. The Postal Service seeks to incorporate by reference the Application for Non-Public Treatment originally filed in this docket for the protection of information that it has filed under seal. Notice at 1.

The Amendment revises the prices to be paid by the contract partner but remains structured as a percentage discount on Priority Mail packages based on the previous year's total packages shipped. *Id.* Attachment A at 1.

The Postal Service intends for the Amendment to become effective one business day after the date that the Commission completes its review of the Notice. Notice at 1. The Postal Service asserts that the Amendment will not impair the ability of the contract to comply with 39 U.S.C. 3633. *Id.*

II. Notice of Filings
