SUPPLEMENTARY INFORMATION

BACKGROUND

The GLMRC is an advisory body composed of representatives of the Federal employee unions representing GSA employees and senior GSA officials. The GLMRC was established consistent with Executive Order 13522, entitled, "Creating Labor-Management Forums to Improve Delivery of Government Services;" which instructs Federal agencies to establish department- or agency-level labor-management forums to help identify problems and propose solutions to better serve the public and Federal agency missions. The GLMRC is tri-chaired by GSA's Chief Human Capitol Officer, together with two senior union officials from each of the two Federal employees' unions representing GSA employees.

The GLMRC works toward promoting cooperative and productive relationships between labor and management, providing an opportunity for employees through their union representatives to engage in pre-decisional involvement in all workplace matters to the fullest extent practicable,

and to advise the GSA administrator on innovative ways to improve delivery of services and products to the public while cutting costs and advancing employee interests. The May 19, 2015, and May 20, 2015, meetings will establish GLMRC's priorities for 2015. The GLMRC will also discuss workforce planning and employee training and development.

The meetings are open to the public. In order to gain entry into the Federal building where the meeting is being held, public attendees who are Federal employees should bring their Federal employee identification cards, and members of the general public should bring their driver's license or other government-issued identification.
