Administration for Children and Families

Proposed Information Collection Activity; Comment Request

Proposed Projects:

Title: Trafficking Victim Assistance Program Data

OMB No.: 0970-NEW

Description: The Trafficking Victims Protection Act of 2000 (TVPA), as amended, authorizes the Secretary of Health and Human Services to expand benefits and services to foreign nationals in the United States who are victims of severe forms of trafficking in persons. Such benefits and services may include services to assist potential victims of trafficking. (Section 107(b)(1)(B) of the TVPA, 22 U.S.C. § 7105(b)(1)(B)).

ORR intends award cooperative agreements in fiscal year 2015 to approximately three organizations that will ensure national coverage. The awarded organization must provide comprehensive case management and referrals to qualified persons, either directly through its own organization or by partnering with other organizations through contracts or both.

Persons qualified for services under this grant are victims of a severe form of trafficking in persons who have received certification from ORR; potential victims of a severe form of

trafficking who are actively seeking to achieve ORR certification; and minor dependent children of foreign victims of severe forms of trafficking in persons or potential victims of trafficking.

To help measure each grant project's performance and the success of the program in assisting participants, and to assist grantees to assess and improve their projects over the course of the project period, ORR proposes to collect information from TVAP grant project participants through the grantees on a monthly, quarterly, or annual basis, including participant demographics (age, sex, and country of origin), type of trafficking experienced (sex, labor, or both), and immigration status during participation.

This information will help ORR assess the project's performance in assisting victims of trafficking and will better enable TVAP grantees to meet the program objectives and to monitor and evaluate the quality of case management services provided by any subcontractors. ORR will also include aggregate information in reports to Congress to help inform strategies and policies to assist victims of human trafficking.

Respondents: Individual participants in TVAP projects
