## **DEPARTMENT OF AGRICULTURE**

### **Forest Service**

### **Tongass National Forest; Alaska; Forest Plan Amendment**

**AGENCY:** Forest Service, USDA.

**ACTION:** Notice of Intent to prepare an environmental impact statement; correction.

**SUMMARY:** A Notice of Intent (NOI) to prepare an Environmental Impact Statement to amend the 2008 Tongass National Forest Land and Resource Management Plan (Forest Plan) was published in the Federal Register (79 FR 30074) on May 27, 2014. The Tongass National Forest is publishing this corrected NOI due to changes in the anticipated dates for the draft environmental impact statement (DEIS) and Record of Decision (ROD, to designate a new responsible official for the plan amendment, and to clarify the pre-decisional administrative review process. The 2012 Planning Rule (36 CFR part 219) includes subpart B, which establishes a pre-decisional administrative review (hereinafter referred to as “objection”) process for plan amendments giving an individual or entity an opportunity for an independent Forest Service review and resolution of issues before the approval of a plan amendment documented with a ROD (reference 36 CFR part 219, subpart B). This Forest Plan Amendment is subject to the objection process.

Objections will be accepted only from those who have previously submitted substantive formal comments related to the plan

amendment during scoping, the 90-day DEIS comment period, or other public involvement opportunity where comments are requested by the responsible official in accordance with 36 CFR 219.16.
