OMB Control No. 3235-0578, SEC File No. 270-519

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 et seq.) (“Paperwork Reduction Act”), the Securities and Exchange Commission (the “Commission”) is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

Form N-Q (17 CFR 249.332 and 274.130) is a reporting form used by registered management investment companies, other than small business investment companies registered on Form N-5 (“funds”), under Section 30(b) of the Investment Company Act of 1940 (15 U.S.C. 80a-1 et seq.) (“Investment Company Act”) and Sections 13(a) or 15(d) of the Securities Exchange Act of 1934 (15 U.S.C. 78a et seq.). Pursuant to Rule 30b1-5 under the Investment Company Act, funds are required to file quarterly reports with the Commission on Form N-Q not more than 60 days after the close of the first and third quarters of each fiscal year containing their complete portfolio holdings. Additionally, fund management is required to evaluate the effectiveness of the fund’s disclosure controls and procedures

within the 90-day period prior to the filing of a report on Form N-Q, and such report must also be signed and certified by the fund's principal executive and financial officers.

We estimate that there are 11,348 funds required to file reports on Form N-Q. Based on staff experience and conversations with industry representatives, we estimate that it takes approximately 26 hours per fund to prepare reports on Form N-Q annually. Accordingly, we estimate that the total annual burden associated with Form N Q is 295,048 hours (26 hours per fund x 11,348 funds) per year.

The estimates of average burden hours are made solely for the purposes of the Paperwork Reduction Act and are not derived from a comprehensive or even representative survey or study of the cost of Commission rules and forms. The collection of information under Form N-Q is mandatory. The information provided by the form is not kept confidential. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

Written comments are invited on: (a) whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

Please direct your written comments to Pamela Dyson, Director/Chief Information Officer, Securities and Exchange Commission, C/O Remi Pavlik-Simon, 100 F Street, NE, Washington, DC 20549; or send an email to: PRA_Mailbox@sec.gov.
