**SUPPLEMENTARY INFORMATION:**

In the **Federal Register** of May 20, 2015 (80 FR 29096), the Department sought public comments on the proposal to amend Labor Organization and Auxiliary Reports information collections approved under OMB Control Number 1245-0003, specifically the Form LM-3 and LM-4 instructions, to require mandatory electronic filing of these reports, as well as modify the Form LM-2 hardship exemption process to correspond with that proposed for the Form LM-3 and LM-4 reports, which would only permit temporary hardship exemption submissions, not continuing. As stated in the notice, the Department believes that reasonable changes must be made to the means by which the forms required under the Labor-Management Reporting and Disclosure Act ( LMRDA) Title II are filed. The most efficient way to provide meaningful access to this information by interested members of the public is to require that the reports filed by small and medium-sized labor organizations be filed in electronic form. This change will benefit the filers, union members, and the public, as well as the Department.

Interested persons were invited to submit comments on or before July 20, 2015, 60 days after the publication of the original notice. A public commenter has requested a 30-day extension of time to submit comments. In response to these requests, the Department has decided to extend the comment period for an additional 30 days. Comments on the proposed information collection must be received on or before August 19, 2015. An extension of this duration is appropriate, because it will afford parties a meaningful opportunity to submit comments on the proposal without unduly delaying final action on the proposed regulation.

Dated: July 15, 2015.
