AUTHORITY: 44 U.S.C. 3507(a)(1)(D).

SUPPLEMENTARY INFORMATION: This ICR seeks to extend PRA authority for the Tax Performance System (TPS) information collection. The TPS gathers and disseminates information on the timeliness and accuracy of State unemployment insurance (UI) tax operations. The DOL is required to review the timeliness, accuracy, and completeness of certain tax collections of States using the TPS. The TPS Operations

Handbook, ET-407, prescribes the operation of this program. TPS data now are an integral part of UI PERFORMS, the performance management system for the UI program. UI PERFORMS incorporates a strategic planning process of identifying priorities; ongoing collection and monitoring of valid data to measure performance; identification of areas of potential improvement; and development of specific action steps to improve performance, followed by use of available data to determine whether the action steps are successful. Social Security Act section 303(a) authorizes this information collection. See 42 U.S.C. 503(a).

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. See 5 CFR 1320.5(a) and 1320.6. The DOL obtains OMB approval for this information collection under Control Number 1205-0332.

OMB authorization for an ICR cannot be for more than three (3) years without renewal, and the current approval for this collection is scheduled to expire on August 31, 2015. The DOL seeks to extend PRA authorization for this information collection for three (3) more years, without any change to existing requirements. The DOL notes that existing information collection requirements submitted to the OMB receive a month-to-month extension while they undergo review. For additional substantive information about

this ICR, see the related notice published in the Federal Register on January 23, 2015 (80 FR 3653).

Interested parties are encouraged to send comments to the OMB, Office of Information and Regulatory Affairs at the address shown in the ADDRESSES section within thirty (30) days of publication of this notice in the Federal Register. In order to help ensure appropriate consideration, comments should mention OMB Control Number 1205-0332. The OMB is particularly interested in comments that:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
