**Needs and Uses:** The Federal Communications Commission (Commission) is requesting a three-year extension of OMB Control No. 3060-1163 from the Office of Management and Budget (OMB).

On April 18, 2013, the Commission adopted final rules in Review of Foreign Ownership Policies for Common Carrier and Aeronautical Radio Licensees under Section 310(b)(4) of the Communications Act of 1934, as Amended, IB Docket No. 11-133, Second Report and Order, FCC 13-50 (rel. Apr. 18, 2013) (Second Report and Order). Among other changes, the final rules eliminated the current need for licensees that have received a foreign ownership ruling to return to the Commission for approval of increased interests by previously approved foreign

investors, of foreign ownership in subsidiaries or affiliates, or of new services or new geographic service areas. In addition, the final rules eliminated the current need for approval of certain corporate reorganizations, subject only to a post-closing notification.

This information collection did not replace the existing information collection for section 310(b) of the Act (OMB Control Number 3060-0686). Licensees who received foreign ownership rulings prior to the effective date of the new rules will continue to be subject to the Commission's foreign ownership policies and procedures within the parameters of their rulings, until they seek and obtain a new ruling under the new rules. The Commission determined in the Second Report and Order that it would permit such licensees to file a new petition for declaratory ruling under the new rules, but would not require them to do so.
