SUPPLEMENTARY INFORMATION: This ICR seeks PRA authority for the Survey of Working Women to identify women's current employment issues and challenges and how these issues and challenges relate to job and career decisions, particularly reasons for exiting the workforce. Understanding women's perceptions about the workplace and their participation in the workforce—as well as their decisions relating to the intersection of work and family obligations—will allow the DOL to share valuable information and data with employers, advocates, and other stakeholders to foster greater collaboration and inform policies and practices that meet women's changing needs; and foster greater public dialogue on these key issues impacting women in the current workforce. The Women's Bureau Authorizing Statute authorizes this information collection. See 29 U.S.C. 13.

This proposed information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information if the collection of information does not display a valid Control Number. See 5 CFR 1320.5(a) and 1320.6. For additional information, see the related notice published in the Federal Register on February 26, 2015 (80 FR 10516).

Interested parties are encouraged to send comments to the OMB, Office of Information and Regulatory Affairs at the address shown in the ADDRESSES section within thirty (30) days of publication of this notice in the Federal Register. In order to help ensure appropriate consideration, comments should mention OMB ICR Reference Number 201506-1290-001. The OMB is particularly interested in comments that:
