CMS-855S Medicare Enrollment Application - Durable Medical Equipment, Prosthetics, Orthotics and Supplies (DMEPOS) Suppliers

Under the PRA (44 U.S.C. 3501-3520), federal agencies must obtain approval from the Office of Management and Budget (OMB) for each collection of information they conduct or sponsor. The term "collection of information" is defined in 44 U.S.C. 3502(3) and 5 CFR 1320.3(c) and includes agency requests or requirements that members of the public submit reports, keep records, or provide information to a third party. Section 3506(c)(2)(A) of the PRA requires federal agencies to publish a 60-day notice in the Federal Register concerning each proposed collection of information, including each proposed extension or reinstatement of an existing collection of information, before submitting the collection to OMB for approval. To comply with this requirement, CMS is publishing this notice.

Information Collection

1. Type of Information Collection Request: Revision of a currently approved collection; Title of Information Collection: Medicare Enrollment Application - Durable Medical Equipment, Prosthetics, Orthotics and Supplies (DMEPOS) Suppliers; Use: The primary function of the CMS 855S Durable Medical Equipment, Prosthetics, Orthotics and Supplies (DMEPOS) supplier enrollment application is to gather information from a supplier that tells us who it is, whether it meets certain qualifications to be a health care supplier, where it renders its services or supplies, the identity of the owners of the enrolling entity, and information necessary to establish correct claims payment.

The goal of this revision of the CMS 855S is to simplify and clarify the current data collection and to remove obsolete and/or redundant questions. Grammar and spelling errors were corrected. Limited informational text has been added within the application form and instructions in conjunction with links to websites when greater detail is needed by the supplier. To clarify current data collection differentiations and to be in sync with accreditation coding, Section 3D (“Products and Services Furnished by This Supplier”) has been updated. This revision does not offer any new material data collection. Form Number: CMS–855S (OMB Control Number: 0938–1056); Frequency: Annually; Affected Public: Private Sector (Business or other for-profits and Not-for-profit institutions); Number of Respondents: 31,915; Total Annual Responses: 31,915; Total Annual Hours: 36,842. (For policy questions regarding this collection contact Kim McPhillips at 410-786-5374.)
