SECURITIES AND EXCHANGE COMMISSION
[Release No. 34-76114; File No. SR-NYSEArca-2015-89]

October 8, 2015

Self-Regulatory Organizations; NYSE Arca, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Amending the NYSE Arca Equities Schedule of Fees and Charges for Exchange Services

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”)¹, and Rule 19b-4² thereunder, notice is hereby given that, on October 1, 2015, NYSE Arca, Inc. (the “Exchange” or “NYSE Arca”) filed with the Securities and Exchange Commission (“SEC” or “Commission”) the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend the NYSE Arca Equities Schedule of Fees and Charges for Exchange Services (“Fee Schedule”). The Exchange proposes to implement the change on October 1, 2015. The text of the proposed rule change is available on the Exchange’s website at www.nyse.com, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it

² 17 CFR 240.19b-4.

received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend the Routable Retail Order Tier ("Routable Retail") applicable to Tape C Securities on the Fee Schedule. Currently, the Routable Retail pricing tier provides ETP Holders, including Market Makers, that 1) provide liquidity of 0.20% or more of the US consolidated average daily volume ("CADV") during a billing month across all Tapes, 2) maintain a ratio during a billing month across all Tapes of executed provide liquidity that is eligible to route away from the Exchange ("Routable Orders")³ to total executed provide liquidity of 55% or more, and (3) execute an ADV of Retail Orders⁴ that provide liquidity during the month that is 0.10% or more of the US CADV, with a credit of \$0.0032 per share for Routable and non-Routable Orders in Tape C Securities that provide liquidity to the Book and a fee of \$0.0030 per share in Tape C Securities that take liquidity from the Book.⁵

³ ETP Holders are able to include an instruction with their orders to determine whether the order will be eligible to route to an away exchange (e.g., to execute against trading interest with a better price than on the Exchange) or, for example, be cancelled if routing would otherwise occur.

⁴ Retail Orders are defined in the Fee Schedule as orders designated as retail orders and that meet the requirements of Rule 7.44(a)(3), but that are not executed in the Retail Liquidity Program. The Retail Liquidity Program is a pilot program designed to attract additional retail order flow to the Exchange for NYSE Arca-listed securities and securities traded pursuant to unlisted trading privileges while also providing the potential for price improvement to such order flow. See Rule 7.44. See Securities Exchange Act Release No. 71176 (December 23, 2013), 78 FR 79524 (December 30, 2013) (SR-NYSEArca-2013-107).

⁵ See Basic Rate. Basic Rates are applicable when tier rates do not apply.

The Exchange proposes to lower the per share fee for Routable and non-Routable Orders in Tape C Securities that take liquidity from the Book to \$0.0029 per share.⁶ The Exchange proposes to implement the change on October 1, 2015.

The proposed changes are not otherwise intended to address any other issues, and the Exchange is not aware of any problems that ETP Holders would have in complying with the proposed changes.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b) of the Act,⁷ in general, and furthers the objectives of Sections 6(b)(4) and (5) of the Act,⁸ in particular, because it provides for the equitable allocation of reasonable dues, fees, and other charges among its members, issuers and other persons using its facilities and does not unfairly discriminate between customers, issuers, brokers or dealers.

The Exchange believes the proposed change to the Routable Retail Order Tier is reasonable and equitably allocated because it would apply to all Routable and non-Routable Orders sent by ETP Holders and Market Makers in Tape C Securities that take liquidity from the Book and the proposed lower fee would serve to incentivize these market participants to direct order flow to the Exchange rather than to a competing market. The Exchange believes that it is equitable and not unfairly discriminatory to charge a lower fee to ETP Holders, including Market

⁶ The Exchange recently submitted a proposed rule change to make a number of changes to the Fee Schedule to be implemented on October 1, 2015, including lowering the fee for orders in Tape C Securities tiers that take liquidity from the Book in certain pricing tiers. The Exchange intended to include the change proposed by this filing in the earlier filing but inadvertently failed to do so and is therefore submitting this proposed rule change separately. See SR-NYSEArca-2015-87.

Makers, because these market participants make significant contributions to market quality by providing higher volumes of liquidity, which benefits all market participants. The Exchange further believes that the proposed fee change is equitable and not unfairly discriminatory because the lowered fees would apply to all similarly situated ETP Holders, including Market Makers, equally.

Additionally, the Exchange, in an earlier filing, proposed to lower the per share fee for orders in Tape C Securities that take liquidity from the Book in a number of pricing tiers and is extending that same fee to the Routable Retail Order Tier which it intended to do in the earlier filing.

Finally, the Exchange believes that it is subject to significant competitive forces, as described below in the Exchange's statement regarding the burden on competition. For these reasons, the Exchange believes that the proposal is consistent with the Act.

B. Self-Regulatory Organization's Statement on Burden on Competition

In accordance with Section 6(b)(8) of the Act,⁹ the Exchange believes that the proposed rule change would not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. Instead, the Exchange believes that the proposed fee change will encourage competition, including by attracting additional liquidity to the Exchange, which will make the Exchange a more competitive venue for, among other things, order execution and price discovery. The Exchange notes that it operates in a highly competitive market in which market participants can readily favor competing venues. In such an environment, the Exchange must continually review, and consider adjusting, its fees and credits to remain competitive with other exchanges. For the reasons described above, the Exchange

believes that the proposed rule change promotes a competitive environment.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change is effective upon filing pursuant to Section 19(b)(3)(A)¹⁰ of the Act and subparagraph (f)(2) of Rule 19b-4¹¹ thereunder, because it establishes a due, fee, or other charge imposed by the Exchange.

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings under Section 19(b)(2)(B)¹² of the Act to determine whether the proposed rule change should be approved or disapproved.
