SUPPLEMENTARY INFORMATION:

Agenda

The Committee will review Amendment 19 alternatives, analyses, and public comments received to date and make final recommendations. Amendment 19 was developed to consider measures to better align fishery allocations with the start of the scallop fishing year. They will also review Framework 27 alternatives and analyses and make final recommendations. Framework 27 was developed to consider fishery allocations for fishing year 2016 and default measures for fishing year 2017. The Committee will review progress to date and potentially provide input on a future Council sponsored workshop related to concerns raised about inshore scallop fishing patterns. Finally, the Committee will review and potentially provide input on draft guidance prepared by NMFS related to the Magnuson Act requirement to evaluate limited access privilege programs within five years after adoption. Other business may be discussed if time permits.
