SUPPLEMENTARY INFORMATION: In a direct final rule published in the Federal Register on November 28, 2014, 79 FR 70938, VA amended 38 CFR 17.108 to eliminate copayments for mental health peer support services. VA published a companion substantially identical proposed rule at 79 FR 70941, on the same date to serve as a proposal for the revisions in the direct final rule in case adverse comments were received. The direct final rule and proposed rule each provided a 60-day comment period that ended on January 27, 2015. No adverse comments were received. Six comments that supported the rulemaking were received from the general public. One commenter also urged VA to exempt evidence-based, cost-effective primary care services from having a required copayment. This comment is outside the scope of this rulemaking, and therefore, VA is not making any changes to this rulemaking based on this comment.

Under the direct final rule procedures that were described in 79 FR 70938 and 79 FR 70941, the direct final rule became effective on January 27, 2015, because no adverse comments were received within the comment period. In a companion document in this issue of the Federal Register, VA is withdrawing the proposed rulemaking, RIN 2900–AP10, published at 79 FR 70941, as unnecessary.
