Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the “Act”),¹ and Rule 19b-4 thereunder,² notice is hereby given that on November 2, 2015, BATS Exchange, Inc. (the “Exchange” or “BATS”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I, II and III below, which Items have been prepared by the Exchange. The Exchange has designated the proposed rule change as one establishing or changing a member due, fee, or other charge imposed by the Exchange under Section 19(b)(3)(A)(ii) of the Act³ and Rule 19b-4(f)(2) thereunder,⁴ which renders the proposed rule change effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to increase the fee for orders yielding fee code D, which results from an order routed to the New York Stock Exchange ("NYSE") using Destination Specific, RDOT, RDOX, TRIM or SLIM routing strategy. The Exchange has previously provided a discounted fee for certain orders routed to the largest market centers measured by volume (NYSE, NYSE Arca and NASDAQ), which, in each instance has been \$0.0001 less per share for orders routed to such market centers by the Exchange than such market centers currently charge for removing liquidity (referred to by the Exchange as "One Under" pricing). NYSE is implementing certain pricing changes effective November 2, 2015, including modification from a fee to remove liquidity of \$0.0027 per share to a fee of \$0.00275 per share.⁶ Based on the changes in pricing at NYSE, the Exchange is proposing to increase its fee for orders executed at

⁶ See NYSE Trader Update, Fee Changes Effective November 2, dated October 30, 2015, available at https://www.nyse.com/publicdocs/nyse/markets/nyse/NYSE_Client_Notice_Fee_Change_11_2015.pdf.

NYSE that yield fee code D so that the fee remains \$0.0001 less per share for orders routed to NYSE. Specifically, the Exchange proposes to increase the fee charged for such orders from \$0.0026 per share to \$0.00265 per share.

In addition to the change proposed above, the Exchange proposes to change certain references on the Fee Schedule in connection with the launch of the options exchange operated by the Exchange's affiliate, EDGX Exchange, Inc. ("EDGX Options"). First, the Exchange propose [sic] to modify references in the Definitions section of the fee schedule and Unicast Access section under BATS Connect fees to refer to "BZX Options" instead of "BATS Options". Second, the Exchange proposes to add reference to EDGX Options in the list of Exchange affiliates to which such fees do not apply.

Implementation Date

The Exchange proposes to implement these amendments to its Fee Schedule immediately.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with the objectives of Section 6 of the Act,⁷ in general, and furthers the objectives of Section 6(b)(4),⁸ in particular, as it is designed to provide for the equitable allocation of reasonable dues, fees and other charges among its Members and other persons using its facilities. The Exchange believes that its proposal to increase the fee for Members' orders that yield fee code D from \$0.0026 per share to \$0.00265 per share represents an equitable allocation of reasonable dues, fees, and other charges among Members and other persons using its facilities in that they are designed to provide a

reduced fee for orders routed to NYSE through Exchange routing strategies as compared to applicable fees for executions if such routed orders were instead executed directly by the Member at NYSE. Furthermore, the Exchange notes that routing through the Exchange is voluntary. Lastly, the Exchange also believes that the proposed amendment is non-discriminatory because it applies uniformly to all Members. The Exchange also believes that the changes to add EDGX Options to the list of affiliates under Unicast Access and the re-naming of BATS Options as BZX Options is consistent with the Act. Such changes reflect and are in connection with the launch of EDGX Options but do not result in any material change to the Exchange's Fee Schedule or impose any new or different fee.

B. Self-Regulatory Organization's Statement on Burden on Competition

These proposed rule changes do not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The Exchange does not believe that any of these changes represent a significant departure from previous pricing offered by the Exchange or pricing offered by the Exchange's competitors. Additionally, Members may opt to disfavor the Exchange's pricing if they believe that alternatives offer them better value. Accordingly, the Exchange does not believe that the proposed changes will impair the ability of Members or competing venues to maintain their competitive standing in the financial markets. The Exchange believes that its proposal to charge a fee of \$0.00265 per share for Members' orders that yield fee code D would increase intermarket competition because it offers customers an alternative means to route to NYSE at a discounted rate. The Exchange believes that its proposal would not burden intramarket competition because the proposed rate would apply uniformly to all Members.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

The Exchange has not solicited, and does not intend to solicit, comments on this proposed rule change. The Exchange has not received any unsolicited written comments from Members or other interested parties.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A) of the Act⁹ and paragraph (f) of Rule 19b-4 thereunder.¹⁰ At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
