SEC File No. 270-136, OMB Control No. 3235-0157

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 et seq.), the Securities and Exchange Commission (the “Commission”) is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

Form N-8F (17 CFR 274.218) is the form prescribed for use by registered investment companies in certain circumstances to request orders of the Commission declaring that the registration of that investment company cease to be in effect. The form requests information about: (i) the investment company’s identity, (ii) the investment company’s distributions, (iii) the investment company’s assets and liabilities, (iv) the events leading to the request to deregister, and (v) the conclusion of the investment company’s business. The information is needed by the Commission to determine whether an order of deregistration is appropriate.

The Form takes approximately 5.2 hours on average to complete. It is estimated that approximately 150 investment companies file Form N-8F annually, so the total annual burden for the form is estimated to be approximately 780 hours. The estimate of

average burden hours is made solely for the purposes of the Paperwork Reduction Act and is not derived from a comprehensive or even a representative survey or study.

The collection of information on Form N-8F is not mandatory. The information provided on Form N-8F is not kept confidential. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently-valid OMB control number.

Written comments are requested on: (i) whether the collections of information are necessary for the proper performance of the functions of the Commission, including whether the information has practical utility; (ii) the accuracy of the Commission's estimate of the burdens of the collection of information; (iii) ways to enhance the quality, utility, and clarity of the information collected; and (iv) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

Please direct your written comments to Pamela Dyson, Director/Chief Information Officer, Securities and Exchange Commission, C/O Remi Pavlik-Simon, 100 F Street, NE, Washington, DC 20549; or send an email to: PRA_Mailbox@sec.gov.
