Our service would provide private cruising/sightseeing and/or fishing charters on an upscale vessel which would not compete with the larger commercial vessels presently in the area. This service is geared towards an overall on the water experience in a personal setting."

GEOGRAPHIC REGION: "California "

The complete application is given in DOT docket MARAD-2015-0141 at <http://www.regulations.gov>. Interested parties may comment on the effect this action may have on U.S. vessel builders or businesses in the U.S. that use U.S.-flag vessels. If MARAD determines, in accordance with 46 U.S.C. 12121 and MARAD's regulations at 46 CFR part 388, that the issuance of the waiver will have an unduly adverse effect on a U.S.-vessel builder or a business that uses U.S.-flag vessels in that business, a waiver will not be granted. Comments should refer to the docket number of this notice and the vessel name in order for MARAD to properly consider the comments. Comments should also state the commenter's interest in the waiver application, and address the waiver criteria given in §388.4 of MARAD's regulations at 46 CFR part 388.
