Petitions Requesting Modifications of Product Eligibility

In a notice published in the Federal Register on August 19, 2015 (80 FR 50377), the Office of the U.S. Trade Representative (USTR) announced the initiation of the 2015/2016 GSP

Annual Review and indicated that the interagency GSP Subcommittee of the TPSC was prepared to receive petitions to modify the list of products that are eligible for duty-free treatment under the GSP program and petitions to waive CNLs on imports of certain products from specific beneficiary countries. On November 17, 2015, USTR announced that the deadline for the filing of CNL waiver petitions had been extended to December 4, 2015 (80 FR 73868 and 80 FR 71913).

The GSP Subcommittee of the TPSC has reviewed the product and CNL waiver petitions submitted in response to these announcements, and has decided to accept for review 23 petitions to add a product to the list of those eligible for duty-free treatment under GSP, 3 petitions to remove a product from GSP eligibility for certain GSP beneficiary countries, and 8 petitions to waive CNLs.

A list of petitions and products accepted for review is posted on the USTR Web site at <https://ustr.gov/issue-areas/preference-programs/generalized-system-preferences-gsp/current-reviews/gsp-2015-annual> under the title “Petitions Accepted in the 2015/2016 GSP Annual Product Review.” This list can also be found at www.regulations.gov in Docket Number USTR-2015-0013. Acceptance of a petition indicates only that the TPSC found that the subject petition warranted further consideration and that a review of the requested action will take place.

The GSP Subcommittee of the TPSC invites comments in support of or in opposition to any petition that has been accepted for the 2015/2016 GSP Annual Product Review. The GSP Subcommittee of the TPSC will also convene a public hearing on these products and petitions. See below for information on how to submit a request to testify at this hearing.
