**Information Collection being Reviewed by the Federal Communications Commission**

**AGENCY:** Federal Communications Commission.

**ACTION:** Notice and request for comments.

**SUMMARY:** As part of its continuing effort to reduce paperwork burdens, and as required by the Paperwork Reduction Act (PRA) of 1995 (44 U.S.C. 3501-3520), the Federal Communications Commission (FCC or the Commission) invites the general public and other Federal agencies to take this opportunity to comment on the following information collection. Comments are requested concerning: whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; the accuracy of the Commission's burden estimate; ways to enhance the quality, utility, and clarity of the information collected; ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology; and ways to further reduce the information collection burden on small business concerns with fewer than 25 employees. The FCC may not conduct or sponsor a collection of information unless it displays a currently valid control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the PRA that does not display a valid Office of Management and Budget (OMB) control number.

**DATES:** Written PRA comments should be submitted on or before **[INSERT DATE 60 DAYS AFTER DATE OF PUBLICATION IN THE FEDERAL REGISTER]**. If you anticipate that you will be submitting comments, but find it difficult to do so within the period of time allowed by this notice, you should advise the contact listed below as soon as possible.

**ADDRESSES:** Direct all PRA comments to Cathy Williams, FCC, via email [PRA@fcc.gov](mailto:PRA@fcc.gov) and to [Cathy.Williams@fcc.gov](mailto:Cathy.Williams@fcc.gov).

**FOR FURTHER INFORMATION CONTACT:** For additional information about the information collection, contact Cathy Williams at (202) 418-2918.

**Frequency of Response:** Recordkeeping requirement, third party disclosure requirement and on occasion reporting requirement.

**Obligation to Respond:** Required to obtain or retain benefits. Statutory authority for this information collection is contained in 47 U.S.C. section 251 of the Telecommunications Act of 1996.

**Total Annual Burden:** 5,160 hours.

**Privacy Impact Assessment:** No impact(s).

**Nature and Extent of Confidentiality:** The Commission is not requesting respondents to submit or disclose confidential information. However, in certain circumstances, respondents may voluntarily choose to submit confidential information pursuant to applicable confidentiality rules.

**Needs and Uses:** In the Order on Remand, the Commission imposed unbundling obligations in a more targeted manner where requesting carriers have undertaken their own facilities-based investments and will be using UNEs (unbundled network elements) in conjunction with self-provisioned facilities. The Commission also eliminated the subdelegation of authority to state commissions adopted in the previous

order. Prior to the issuance of the Order, the Commission sought comment on issues relating to combinations of UNEs, called “enhanced extended links” (EELs), in order to effectively tailor access to EELs to those carriers seeking to provide significant local usage to end users. In the Order, the Commission adopted three specific service eligibility criteria for access to EELs in accordance with Commission rules.

**FEDERAL COMMUNICATIONS COMMISSION.**
