SUPPLEMENTARY INFORMATION:

The Assistant Secretary of OSHA invites interested individuals to submit nominations for membership on FACOSH.

Background. FACOSH is authorized to advise the Secretary of Labor (Secretary) on all matters relating to the occupational safety and health of federal employees (5 U.S.C. 7902; 29

U.S.C. 668, Executive Order 12196, as amended). This includes providing advice on how to reduce and keep to a minimum the number of injuries and illnesses in the federal workforce, and how to encourage the establishment and maintenance of effective occupational safety and health programs in each federal agency.

FACOSH membership. FACOSH is comprised of 16 members, 8 management representatives from federal agencies; and 8 representatives from labor organizations that represent federal employees, whom the Secretary of Labor appoints to staggered terms of up to three years. The number of members the Secretary will appoint to three-year terms beginning January 1, 2017, are:

- Three labor representatives; and
- Three management representatives.

FACOSH members serve at the pleasure of the Secretary and may be appointed to successive terms. FACOSH meets at least twice a year.

The Department of Labor is committed to equal opportunity in the workplace and seeks broad-based and diverse FACOSH membership. Any federal agency, labor organization representing federal workers, or individual(s) may nominate one or more qualified persons for membership on FACOSH. Interested individuals also are invited and encouraged to submit statements in support of a nominee(s).

Nomination requirements. Submission of nominations must include the following information:

1. The nominee's name, contact information and current employment;
2. The nominee's resume or curriculum vitae, including prior membership on FACOSH and other relevant organizations, associations and committees;

3. Category of membership (management or labor) that the nominee is qualified to represent;
4. A summary of the nominee's background, experience and qualifications that address the nominee's suitability to serve on FACOSH;
5. Articles or other documents the nominee has authored that indicate the nominee's knowledge, experience and expertise in occupational safety and health, particularly as it pertains to the federal workforce; and
6. A statement that the nominee is aware of the nomination, is willing to regularly attend and participate in FACOSH meetings, and has no apparent conflicts of interest that would preclude membership on FACOSH.

Member selection. The Secretary appoints FACOSH members based upon criteria that include the nominee's level of responsibility for occupational safety and health matters involving the federal workforce; experience and competence in occupational safety and health; and willingness and ability to regularly and fully participate in FACOSH meetings. Federal agency management nominees who serve as their agency's Designated Agency Safety and Health Official (DASHO), or at an equivalent level of responsibility within their respective federal agencies, are preferred as management members. Labor nominees who have responsibilities for federal employee occupational safety and health matters within their respective labor organizations are preferred as labor members.

Information received through the nomination process, along with other relevant sources of information, will assist the Secretary in making appointments to FACOSH. In selecting FACOSH members, the Secretary will consider individuals nominated in response to this Federal

Register notice, as well as other qualified individuals. OSHA will publish a list of the new FACOSH members in the Federal Register.

OSHA will consider any nomination submitted in response to this notice for the vacancies that occur on January 1, 2017. In addition, OSHA will consider the nominations for any vacancy that may occur during 2016 and for member positions that open January 1, 2017, provided the information the nominee submitted continues to remain current and accurate. OSHA believes that ‘rolling over’ nominations for future consideration will make it easier for interested individuals to be considered for membership on FACOSH. This process also will provide OSHA with a broad base of nominations for ensuring that FACOSH membership is fairly balanced as the Federal Advisory Committee Act (5 U.S.C. App.2, Section (5)(b)(2); 41 CFR 102-3.30(c)). OSHA will continue to request nominations as vacancies occur, but nominees whose information is current and accurate will not need to resubmit a nomination.

Public Participation, Submissions, and Access to Public Record.

Instructions for submitting nominations. Interested individuals may submit nominations and supplemental materials using one of the methods listed in the ADDRESSES section. You may supplement electronic nominations by uploading materials electronically. If, instead, you wish to submit hard copies of materials that supplement an electronic submission, you must submit them to the OSHA Docket Office (see ADDRESSES section). The additional material must clearly identify your electronic submission by name and docket number so that the materials can be attached to your nomination.

Because of security-related procedures, the use of regular mail may cause a significant delay in the receipt of nominations. For information about security procedures concerning the

submission of materials by mail, hand, express delivery, messenger or courier service, please contact the OSHA Docket Office (see ADDRESSES section).
