Full Text of Announcement

I. Funding Opportunity Description
Purpose of Program: The AANAPISI Program provides grants to eligible institutions of higher education (IHEs) that have an undergraduate enrollment of at least 10 percent Asian American or Native American Pacific Islander students to allow such institutions to plan, develop, undertake, and carry out activities to improve and expand their capacity to serve Asian Americans and Native American Pacific Islanders and low-income individuals. Examples of authorized activities for the AANAPISI Program are in section 311(c) of the Higher Education Act of 1965, as amended (HEA).

Priorities: This notice contains one absolute priority, two competitive preference priorities, and one invitational priority. The absolute priority is from the Department’s notice of final supplemental priorities and definitions for discretionary grant programs (Supplemental Priorities), published in the Federal Register on December 10, 2014 (79 FR 73425). In accordance with 34 CFR 75.105(b)(2)(ii), the competitive preference priorities are from 34 CFR 75.226.

Absolute Priority: For FY 2016 and any subsequent year in which we make awards from the list of unfunded applications from this competition, this priority is an absolute priority. Under 34 CFR 75.105(c)(3), we consider only applications that meet this priority.
This priority is:

Supporting High-Need Students.

(a) Projects that are designed to improve:
   (i) Academic outcomes;
   (ii) Learning environments; or
   (iii) Both,

(b) For one or more of the following groups of students:
   (i) High-need students.
   (ii) Students with disabilities.
   (iii) English learners.
   (iv) Disconnected youth or migrant youth.
   (v) Low-skilled adults.

Competitive Preference Priorities: For FY 2016 and any subsequent year in which we make awards from the list of unfunded applications from this competition, these priorities are competitive preference priorities. Under 34 CFR 75.105(c)(2)(i), we award one additional point to an application that meets Competitive Preference Priority 1 and three additional points to an application that meets Competitive Preference Priority 2. Applicants may address only one of the competitive preference priorities and must clearly indicate in their application which competitive preference priority they are addressing. Applicants that
apply under Competitive Preference Priority 2, but whose applications do not meet the moderate evidence of effectiveness standard, may still be considered under Competitive Preference Priority 1 to determine whether their applications meet the evidence of promise standard.

Note: In assessing the relevance of the research cited to the proposed project, the Secretary will consider, among other factors, the portion of the requested funds that will be dedicated to the evidence-based strategies or activities.

These priorities are:

**Competitive Preference Priority 1** (One additional point). Applications supported by evidence of effectiveness that meets the conditions set out in the definition of “evidence of promise.”

**Competitive Preference Priority 2** (Three additional points). Applications supported by evidence of effectiveness that meets the conditions set out in the definition of “moderate evidence of effectiveness.”

**Invitational Priority:** For FY 2016 and any subsequent year in which we make awards from the list of unfunded applications from this competition, this priority is an invitational priority. Under 34 CFR 75.105(c)(1), we do not give an application that meets this invitational
priority a competitive or absolute preference over other applications.

This priority is:

Projects that support activities that strengthen Native American Pacific Islander language preservation and revitalization.

Definitions: The following definitions are from 34 CFR 77.1 and the Supplemental Priorities.

Disconnected youth means low-income individuals, ages 14-24, who are homeless, are in foster care, are involved in the justice system, or are not working or not enrolled in (or at risk of dropping out of) an educational institution.

Evidence of promise means there is empirical evidence to support the theoretical linkage(s) between at least one critical component and at least one relevant outcome presented in the logic model for the proposed process, product, strategy, or practice. Specifically, evidence of promise means the conditions in both paragraphs (i) and (ii) of this definition are met:

(i) There is at least one study that is a--

(A) Correlational study with statistical controls for selection bias;
(B) Quasi-experimental design study that meets the What Works Clearinghouse Evidence Standards with reservations; or

(C) Randomized controlled trial that meets the What Works Clearinghouse Evidence Standards with or without reservations.

(ii) The study referenced in paragraph (i) of this definition found a statistically significant or substantively important (defined as a difference of 0.25 standard deviations or larger) favorable association between at least one critical component and one relevant outcome presented in the logic model for the proposed process, product, strategy, or practice.

High-minority school means a school as that term is defined by a local educational agency (LEA), which must define the term in a manner consistent with its State's Teacher Equity Plan, as required by section 1111(b)(8)(C) of the Elementary and Secondary Education Act of 1965, as amended. The applicant must provide the definition(s) of High-minority Schools used in its application.

High-need students means students who are at risk of educational failure or otherwise in need of special assistance and support, such as students who are living in poverty, who attend high-minority schools, who are far
below grade level, who have left school before receiving a regular high school diploma, who are at risk of not graduating with a diploma on time, who are homeless, who are in foster care, who have been incarcerated, who have disabilities, or who are English learners.

**Large sample** means an analytic sample of 350 or more students (or other single analysis units), or 50 or more groups (such as classrooms or schools) that contain 10 or more students (or other single analysis units).

**Logic model** (also referred to as theory of action) means a well-specified conceptual framework that identifies key components of the proposed process, product, strategy, or practice (i.e., the active “ingredients” that are hypothesized to be critical to achieving the relevant outcomes) and describes the relationships among the key components and outcomes, theoretically and operationally.

**Low-skilled adult** means an adult with low literacy and numeracy skills.

**Moderate evidence of effectiveness** means one of the following conditions is met:

(i) There is at least one study of the effectiveness of the process, product, strategy, or practice being proposed that meets the What Works Clearinghouse Evidence Standards without reservations, found a statistically
significant favorable impact on a relevant outcome (with no statistically significant and overriding unfavorable impacts on that outcome for relevant populations in the study or in other studies of the intervention reviewed by and reported on by the What Works Clearinghouse), and includes a sample that overlaps with the populations or settings proposed to receive the process, product, strategy, or practice.

(ii) There is at least one study of the effectiveness of the process, product, strategy, or practice being proposed that meets the What Works Clearinghouse Evidence Standards with reservations, found a statistically significant favorable impact on a relevant outcome (with no statistically significant and overriding unfavorable impacts on that outcome for relevant populations in the study or in other studies of the intervention reviewed by and reported on by the What Works Clearinghouse), includes a sample that overlaps with the populations or settings proposed to receive the process, product, strategy, or practice, and includes a large sample and a multi-site sample. Note: multiple studies can cumulatively meet the large and multi-site sample requirements as long as each study meets the other requirements in this paragraph.
Multi-site sample means more than one site, where site can be defined as an LEA, locality, or State.

Quasi-experimental design study means a study using a design that attempts to approximate an experimental design by identifying a comparison group that is similar to the treatment group in important respects. These studies, depending on design and implementation, can meet What Works Clearinghouse Evidence Standards with reservations (but not What Works Clearinghouse Evidence Standards without reservations).

Randomized controlled trial means a study that employs random assignment of, for example, students, teachers, classrooms, schools, or districts to receive the intervention being evaluated (the treatment group) or not to receive the intervention (the control group). The estimated effectiveness of the intervention is the difference between the average outcome for the treatment group and for the control group. These studies, depending on design and implementation, can meet What Works Clearinghouse Evidence Standards without reservations.

Regular high school diploma means the standard high school diploma that is awarded to students in the State and that is fully aligned with the State's academic content standards or a higher diploma and does not include a
General Education Development (GED) credential, certificate of attendance, or any alternative award.

_**Relevant outcome** means the student outcome(s) (or the ultimate outcome if not related to students) the proposed process, product, strategy, or practice is designed to improve; consistent with the specific goals of a program.

_State_ means any of the 50 States, the Commonwealth of Puerto Rico, the District of Columbia, Guam, American Samoa, the Virgin Islands, the Northern Mariana Islands, or the Trust Territory of the Pacific Islands.

_What Works Clearinghouse Evidence Standards_ means the standards set forth in the What Works Clearinghouse Procedures and Standards Handbook (Version 3.0, March 2014), which can be found at the following link:

**Program Authority:** 20 U.S.C. 1067q(b)(2)(D)(iii).

**Applicable Regulations:** (a) The Education Department General Administrative Regulations in 34 CFR parts 75, 77, 79, 82, 84, 86, 97, 98, and 99. (b) The Office of Management and Budget (OMB) Guidelines to Agencies on Governmentwide Debarment and Suspension (Nonprocurement) in 2 CFR part 180, as adopted and amended as regulations of the Department in 2 CFR part 3485. (c) The Uniform Administrative Requirements, Cost Principles, and Audit
Requirements for Federal Awards in 2 CFR part 200, as adopted and amended in 2 CFR part 3474. (d) The Supplemental Priorities.

III. Eligibility Information

1. **Eligible Applicants:** An IHE is eligible to receive funds under the AANAPISI Program if it qualifies as an Asian American and Native American Pacific Islander-Serving Institution. At the time of application, IHEs
applying for funds under the AANAPISI Program must have an enrollment of undergraduate students that is at least 10 percent Asian American or Native American Pacific Islander, as defined as follows:

**Asian American** means a person having origins in any of the original peoples of the Far East, Southeast Asia, or the Indian subcontinent (including, for example, Cambodia, China, India, Japan, Korea, Malaysia, Pakistan, the Philippine Islands, Thailand, and Vietnam), as defined in OMB’s Standards for Maintaining, Collecting, and Presenting Federal Data on Race and Ethnicity as published in the Federal Register on October 30, 1997 (62 FR 58789).

**Native American Pacific Islander** means any descendant of the aboriginal people of any island in the Pacific Ocean that is a territory or possession of the United States.

At the time of submission of their applications, applicants must certify their total undergraduate headcount enrollment and that 10 percent of the IHE’s enrollment is Asian American or Native American Pacific Islander. An assurance form, which is included in the application materials for this competition, must be signed by an official for the applicant and submitted.

To qualify as an eligible institution under the AANAPISI Program, an institution must also be--
(i) Accredited or pre-accredited by a nationally recognized accrediting agency or association that the Secretary has determined to be a reliable authority as to the quality of education or training offered;

(ii) Legally authorized by the State in which it is located to be a community college or to provide an educational program for which it awards a bachelor’s degree; and

(iii) Designated as an “eligible institution” by demonstrating that it has: (A) an enrollment of needy students as described in 34 CFR 607.3; and (B) low average educational and general expenditures per full-time equivalent (FTE) undergraduate student as described in 34 CFR 607.4.

**Note:** The notice announcing the FY 2016 process for designation of eligible institutions, and inviting applications for waiver of eligibility requirements, was published in the *Federal Register* on November 19, 2015 (80 FR 72422). Only institutions that the Department determines are eligible, or are granted a waiver, may apply for a grant in this program.

2. **Cost Sharing or Matching:** This program does not require cost sharing or matching unless funds are used for an endowment.

   Individuals with disabilities can obtain a copy of the application package in an accessible format (e.g., braille, large print, audiotape, or compact disc) by contacting one of the program contact people listed in this section.

2. **Content and Form of Application Submission:**

   Requirements concerning the content of an application, together with the forms you must submit, are in the application package for this program.

   **Page Limit:** The application narrative is where you, the applicant, address the selection criteria, the absolute
priority, the competitive preference priorities, and the invitational priority that reviewers use to evaluate your application. We have established mandatory page limits. You must limit the section of the application narrative that addresses:

- The selection criteria to no more than 50 pages.
- The absolute priority to no more than three pages.
- A competitive preference priority, to no more than three pages, if you address one of those priorities.
- The invitational priority to no more than two pages, if you address it.

Accordingly, under no circumstances may the application narrative exceed 58 pages.

Include a separate heading for each priority that you address.

For the purpose of determining compliance with the page limits, each page on which there are words will be counted as one full page. Applicants must use the following standards:

- A “page” is 8.5" x 11", on one side only, with 1" margins at the top, bottom, and both sides. Page numbers and an identifier may be within the 1" margins.
- Double space (no more than three lines per vertical inch) all text in the application narrative, except titles, headings, footnotes, quotations, references, and captions and all text in charts, tables, figures, and graphs. These items may be single-spaced. Charts, tables, figures, and graphs in the application narrative count toward the page limits.

- Use a font that is either 12 point or larger, or no smaller than 10 pitch (characters per inch). However, you may use a 10-point font in charts, tables, figures, graphs, footnotes, and endnotes.

- Use one of the following fonts: Times New Roman, Courier, Courier New, or Arial. An application submitted in any other font (including Times Roman or Arial Narrow) will not be accepted.

The page limit does not apply to the Application for Federal Assistance (SF 424); the Supplemental Information for SF 424 Form; the Budget Information Summary Form (ED Form 524) and Budget Narrative; and the assurances and certifications. The page limit also does not apply to the table of contents, the one-page abstract, the resumes, the bibliography, the letters of support, program profile, or the studies. If you include any attachments or appendices, these items will be counted as part of the application
narrative for purposes of the page-limit requirement. You must include your complete response to the selection criteria and priorities in the application narrative.

We will reject your application if you exceed the page limits.

3. Submission Dates and Times:
Applications Available: [INSERT DATE OF PUBLICATION IN THE FEDERAL REGISTER].
Deadline for Transmittal of Applications: [INSERT DATE 60 DAYS AFTER DATE OF PUBLICATION IN THE FEDERAL REGISTER].

Applications for grants under this competition must be submitted electronically using the Grants.gov Apply site (Grants.gov). For information (including dates and times) about how to submit your application electronically, or in paper format by mail or hand delivery if you qualify for an exception to the electronic submission requirement, please refer to Other Submission Requirements in section IV of this notice.

We do not consider an application that does not comply with the deadline requirements.

Individuals with disabilities who need an accommodation or auxiliary aid in connection with the application process should contact one of the program contact people listed under For Further Information Contact
in section VII of this notice. If the Department provides an accommodation or auxiliary aid to an individual with a disability in connection with the application process, the individual’s application remains subject to all other requirements and limitations in this notice.

Deadline for Intergovernmental Review: [INSERT DATE 120 DAYS AFTER DATE OF PUBLICATION IN THE FEDERAL REGISTER].

4. **Intergovernmental Review:** This program is subject to Executive Order 12372 and the regulations in 34 CFR part 79. Information about Intergovernmental Review of Federal Programs under Executive Order 12372 is in the application package for this program.

5. **Funding Restrictions:** We reference the regulations outlining funding restrictions in the **Applicable Regulations** section of this notice.

6. **Data Universal Numbering System Number, Taxpayer Identification Number, and System for Award Management:** To do business with the Department of Education, you must--

   a. Have a Data Universal Numbering System (DUNS) number and a Taxpayer Identification Number (TIN);

   b. Register both your DUNS number and TIN with the System for Award Management (SAM) (formerly the Central Contractor Registry), the Government’s primary registrant database;
c. Provide your DUNS number and TIN on your application; and

d. Maintain an active SAM registration with current information while your application is under review by the Department and, if you are awarded a grant, during the project period.

You can obtain a DUNS number from Dun and Bradstreet at the following Web site: http://fedgov.dnb.com/webform. A DUNS number can be created within one to two business days.

If you are a corporate entity, agency, institution, or organization, you can obtain a TIN from the Internal Revenue Service. If you are an individual, you can obtain a TIN from the Internal Revenue Service or the Social Security Administration. If you need a new TIN, please allow two to five weeks for your TIN to become active.

The SAM registration process can take approximately seven business days, but may take upwards of several weeks, depending on the completeness and accuracy of the data you enter into the SAM database. Thus, if you think you might want to apply for Federal financial assistance under a program administered by the Department, please allow sufficient time to obtain and register your DUNS number and TIN. We strongly recommend that you register early.
Note: Once your SAM registration is active, it may be 24 to 48 hours before you can access the information in, and submit an application through, Grants.gov.

If you are currently registered with SAM, you may not need to make any changes. However, please make certain that the TIN associated with your DUNS number is correct. Also note that you will need to update your registration annually. This may take three or more business days.

Information about SAM is available at www.SAM.gov. To further assist you with obtaining and registering your DUNS number and TIN in SAM or updating your existing SAM account, we have prepared a SAM.gov Tip Sheet, which you can find at: www2.ed.gov/fund/grant/apply/sam-faqs.html.

In addition, if you are submitting your application via Grants.gov, you must (1) be designated by your organization as an Authorized Organization Representative (AOR); and (2) register yourself with Grants.gov as an AOR. Details on these steps are outlined at the following Grants.gov Web page:

7. Other Submission Requirements: Applications for grants under the AANAPISI Program must be submitted electronically unless you qualify for an exception to this
requirement in accordance with the instructions in this section.

a. **Electronic Submission of Applications.**

Applications for grants under the AANAPISI Program, CFDA number 84.382B, must be submitted electronically using the Governmentwide Grants.gov Apply site at www.Grants.gov. Through this site, you will be able to download a copy of the application package, complete it offline, and then upload and submit your application. You may not email an electronic copy of a grant application to us.

We will reject your application if you submit it in paper format unless, as described elsewhere in this section, you qualify for one of the exceptions to the electronic submission requirement and submit, no later than two weeks before the application deadline date, a written statement to the Department that you qualify for one of these exceptions. Further information regarding calculation of the date that is two weeks before the application deadline date is provided later in this section under **Exception to Electronic Submission Requirement.**

You may access the electronic grant application for the AANAPISI Program at www.Grants.gov. You must search for the downloadable application package for this program by the CFDA number. Do not include the CFDA number’s alpha
suffix in your search (e.g., search for 84.382, not 84.382B).

Please note the following:

• When you enter the Grants.gov site, you will find information about submitting an application electronically through the site, as well as the hours of operation.

• Applications received by Grants.gov are date and time stamped. Your application must be fully uploaded and submitted and must be date and time stamped by the Grants.gov system no later than 4:30:00 p.m., Washington, DC time, on the application deadline date. Except as otherwise noted in this section, we will not accept your application if it is received—that is, date and time stamped by the Grants.gov system—after 4:30:00 p.m., Washington, DC time, on the application deadline date. We do not consider an application that does not comply with the deadline requirements. When we retrieve your application from Grants.gov, we will notify you if we are rejecting your application because it was date and time stamped by the Grants.gov system after 4:30:00 p.m., Washington, DC time, on the application deadline date.

• The amount of time it can take to upload an application will vary depending on a variety of factors, including the size of the application and the speed of your
Internet connection. Therefore, we strongly recommend that you do not wait until the application deadline date to begin the submission process through Grants.gov.

- You should review and follow the Education Submission Procedures for submitting an application through Grants.gov that are included in the application package for this program to ensure that you submit your application in a timely manner to the Grants.gov system. You can also find the Education Submission Procedures pertaining to Grants.gov under News and Events on the Department’s G5 system home page at www.G5.gov. In addition, for specific guidance and procedures for submitting an application through Grants.gov, please refer to the Grants.gov Web site at: www.grants.gov/web/grants/applicants/apply-for-grants.html.

- You will not receive additional point value because you submit your application in electronic format, nor will we penalize you if you qualify for an exception to the electronic submission requirement, as described elsewhere in this section, and submit your application in paper format.

- You must submit all documents electronically, including all information you typically provide on the following forms: the Application for Federal Assistance
(SF 424), the Department of Education Supplemental Information for SF 424, Budget Information--Non-Construction Programs (ED 524), and all necessary assurances and certifications.

- You must upload any narrative sections and all other attachments to your application as files in a read-only, non-modifiable Portable Document Format (PDF). Do not upload an interactive or fillable PDF file. If you upload a file type other than a read-only, non-modifiable PDF (e.g., Word, Excel, WordPerfect, etc.) or submit a password-protected file, we will not review that material. Please note that this could result in your application not being considered for funding because the material in question--for example, the project narrative--is critical to a meaningful review of your proposal. For that reason it is important to allow yourself adequate time to upload all material as PDF files. The Department will not convert material from other formats to PDF.

- Your electronic application must comply with any page-limit requirements described in this notice.

- After you electronically submit your application, you will receive from Grants.gov an automatic notification of receipt that contains a Grants.gov tracking number. This notification indicates receipt by Grants.gov only, not
receipt by the Department. Grants.gov will also notify you automatically by email if your application met all the Grants.gov validation requirements or if there were any errors (such as submission of your application by someone other than a registered Authorized Organization Representative, or inclusion of an attachment with a file name that contains special characters). You will be given an opportunity to correct any errors and resubmit, but you must still meet the deadline for submission of applications.

Once your application is successfully validated by Grants.gov, the Department will retrieve your application from Grants.gov and send you an email with a unique PR/Award number for your application.

These emails do not mean that your application is without any disqualifying errors. While your application may have been successfully validated by Grants.gov, it must also meet the Department’s application requirements as specified in this notice and in the application instructions. Disqualifying errors could include, for instance, failure to upload attachments in a read-only, non-modifiable PDF; failure to submit a required part of the application; or failure to meet applicant eligibility requirements. It is your responsibility to ensure that
your submitted application has met all of the Department’s requirements.

- We may request that you provide us original signatures on forms at a later date.

Application Deadline Date Extension in Case of Technical Issues with the Grants.gov System: If you are experiencing problems submitting your application through Grants.gov, please contact the Grants.gov Support Desk, toll free, at 1-800-518-4726. You must obtain a Grants.gov Support Desk Case Number and must keep a record of it.

If you are prevented from electronically submitting your application on the application deadline date because of technical problems with the Grants.gov system, we will grant you an extension until 4:30:00 p.m., Washington, DC time, the following business day to enable you to transmit your application electronically or by hand delivery. You also may mail your application by following the mailing instructions described elsewhere in this notice.

If you submit an application after 4:30:00 p.m., Washington, DC time, on the application deadline date, please contact one of the program contact people listed under For Further Information Contact in section VII of this notice and provide an explanation of the technical problem you experienced with Grants.gov, along with the
Grants.gov Support Desk Case Number. We will accept your application if we can confirm that a technical problem occurred with the Grants.gov system and that the problem affected your ability to submit your application by 4:30:00 p.m., Washington, DC time, on the application deadline date. We will contact you after we determine whether your application will be accepted.

Note: The extensions to which we refer in this section apply only to the unavailability of, or technical problems with, the Grants.gov system. We will not grant you an extension if you failed to fully register to submit your application to Grants.gov before the application deadline date and time or if the technical problem you experienced is unrelated to the Grants.gov system.

Exception to Electronic Submission Requirement: You qualify for an exception to the electronic submission requirement, and may submit your application in paper format, if you are unable to submit an application through the Grants.gov system because--

- You do not have access to the Internet; or
- You do not have the capacity to upload large documents to the Grants.gov system;

and
• No later than two weeks before the application deadline date (14 calendar days or, if the fourteenth calendar day before the application deadline date falls on a Federal holiday, the next business day following the Federal holiday), you mail or fax a written statement to the Department, explaining which of the two grounds for an exception prevents you from using the Internet to submit your application. If you mail your written statement to the Department, it must be postmarked no later than two weeks before the application deadline date. If you fax your written statement to the Department, we must receive the faxed statement no later than two weeks before the application deadline date.

Address and mail or fax your statement to: Pearson Owens, Office of Postsecondary Education, U.S. Department of Education, 400 Maryland Avenue, SW., room 7E311, Washington, DC 20202. FAX: (202) 205-0063.

Your paper application must be submitted in accordance with the mail or hand-delivery instructions described in this notice.

b. Submission of Paper Applications by Mail.

If you qualify for an exception to the electronic submission requirement, you may mail (through the U.S. Postal Service or a commercial carrier) your application to
the Department. You must mail the original and two copies of your application, on or before the application deadline date, to the Department at the following address:

If you mail your application through the U.S. Postal Service, we do not accept either of the following as proof of mailing:

(1) A private metered postmark.

(2) A mail receipt that is not dated by the U.S. Postal Service.
Note: The U.S. Postal Service does not uniformly provide a dated postmark. Before relying on this method, you should check with your local post office.

We will not consider applications postmarked after the application deadline date.

c. Submission of Paper Applications by Hand Delivery.

If you qualify for an exception to the electronic submission requirement, you (or a courier service) may deliver your paper application to the Department by hand. You must deliver the original and two copies of your application by hand, on or before the application deadline date, to the Department at the following address:

CFDA number, including suffix letter, if any, of the competition under which you are submitting your application; and

(2) The Application Control Center will mail to you a notification of receipt of your grant application. If you do not receive this notification within 15 business days from the application deadline date, you should call the U.S. Department of Education Application Control Center at (202) 245-6288.

V. Application Review Information

1. **Selection Criteria:** The selection criteria for this program are from 34 CFR 75.210. We will award up to 100 points to an application under the selection criteria; the total possible points for each selection criterion are noted in parentheses.

   a. **Need for project.** (Maximum 25 points) The Secretary considers the need for the proposed project. In determining the need for the proposed project, the Secretary considers:

      1. The magnitude of the need for the services to be provided or the activities to be carried out by the proposed project. (10 points)
2. The extent to which the proposed project will focus on serving or otherwise addressing the needs of disadvantaged individuals. (10 points)

2. **Review and Selection Process:** The awards will be made in rank order according to the average score received from a panel of three readers.
We remind potential applicants that in reviewing applications in any discretionary grant competition, the Secretary may consider, under 34 CFR 75.217(d)(3), the past performance of the applicant in carrying out a previous award, such as the applicant’s use of funds, achievement of project objectives, and compliance with grant conditions. The Secretary may also consider whether the applicant failed to submit a timely performance report or submitted a report of unacceptable quality.

In addition, in making a competitive grant award, the Secretary requires various assurances including those applicable to Federal civil rights laws that prohibit discrimination in programs or activities receiving Federal financial assistance from the Department of Education (34 CFR 100.4, 104.5, 106.4, 108.8, and 110.23).

3. Tie-breaker for Grants. To resolve ties in the reader scores of applications for grants, the Department will award one additional point to an application from an IHE that has an endowment fund for which the current market value, per FTE enrolled student, is less than the average current market value of the endowment funds, per FTE enrolled student, at comparable institutions that offer similar instruction. In addition, to resolve ties in the reader scores of applications for grants, the Department
will award one additional point to an application from an IHE that has expenditures for library materials per FTE enrolled student that are less than the average expenditures for library materials per FTE enrolled student at comparable institutions that offer similar instruction. We also will add one additional point to an application from an IHE that proposes to carry out one or more of the following activities--

1. Faculty development;
2. Funds and administrative management;
3. Development and improvement of academic programs;
4. Acquisition of equipment for use in strengthening management and academic programs;
5. Joint use of facilities; and
6. Student services.

For the purpose of these funding considerations, we will use the most recent complete data available (e.g., for FY 2016, we will use 2013-2014 data).

If a tie remains after applying the tie-breaker mechanism above, priority will be given to applicants that have the lowest endowment values per FTE enrolled student.

4. Risk Assessment and Special Conditions:
Consistent with 2 CFR 200.205, before awarding grants under this competition the Department conducts a review of the
risks posed by applicants. Under 2 CFR 3474.10, the Secretary may impose special conditions and, in appropriate circumstances, high-risk conditions on a grant if the applicant or grantee is not financially stable; has a history of unsatisfactory performance; has a financial or other management system that does not meet the standards in 2 CFR part 200, subpart D; has not fulfilled the conditions of a prior grant; or is otherwise not responsible.

VI. Award Administration Information

1. Award Notices: If your application is successful, we notify your U.S. Representative and U.S. Senators and send you a Grant Award Notification (GAN); or we may send you an email containing a link to access an electronic version of your GAN. We may notify you informally also.

   If your application is not evaluated or not selected for funding, we notify you.

2. Administrative and National Policy Requirements: We identify administrative and national policy requirements in the application package and reference these and other requirements in the Applicable Regulations section of this notice.

   We reference the regulations outlining the terms and conditions of an award in the Applicable Regulations section of this notice and include these and other specific
conditions in the GAN. The GAN also incorporates your approved application as part of your binding commitments under the grant.

3. **Reporting:** (a) If you apply for a grant under this competition, you must ensure that you have in place the necessary processes and systems to comply with the reporting requirements in 2 CFR part 170 should you receive funding under the competition. This does not apply if you have an exception under 2 CFR 170.110(b).

   (b) At the end of your project period, you must submit a final performance report, including financial information, as directed by the Secretary. If you receive a multiyear award, you must submit an annual performance report that provides the most current performance and financial expenditure information as directed by the Secretary under 34 CFR 75.118. The Secretary may also require more frequent performance reports under 34 CFR 75.720(c). For specific requirements on reporting, please go to www.ed.gov/fund/grant/apply/appforms/appforms.html.

4. **Performance Measures:** The Secretary has established the following key performance measures for assessing the effectiveness of the AANAPISI Program:

   a. The percentage change, over a five-year period, of the number of full-time, degree-seeking undergraduates
enrolling at AANAPISIs. Note that this is a long-term measure, which will be used to periodically gauge performance;

b. The percentage of first-time, full-time degree-seeking undergraduate students at four-year AANAPISIs who were in their first year of postsecondary enrollment in the previous year and are enrolled in the current year at the same AANAPISI;

c. The percentage of first-time, full-time degree-seeking undergraduate students at two-year AANAPISIs who were in their first year of postsecondary enrollment in the previous year and are enrolled in the current year at the same AANAPISI;

d. The percentage of first-time, full-time degree-seeking undergraduate students enrolled at four-year AANAPISIs who graduate within six years of enrollment; and

e. The percentage of first-time, full-time degree-seeking undergraduate students enrolled at two-year AANAPISIs who graduate within three years of enrollment.

5. **Continuation Awards:** In making a continuation award under 34 CFR 75.253, the Secretary considers, among other things: whether a grantee has made substantial progress in achieving the goals and objectives of the project; whether the grantee has expended funds in a manner
that is consistent with its approved application and budget; and, if the Secretary has established performance measurement requirements, the performance targets in the grantee's approved application. In making a continuation award, the Secretary also considers whether the grantee is operating in compliance with the assurances in its approved application, including those applicable to Federal civil rights laws that prohibit discrimination in programs or activities receiving Federal financial assistance from the Department (34 CFR 100.4, 104.5, 106.4, 108.8, and 110.23).
