Submission for OMB review; 30-day comment request

Impact of Clinical Research Training and Medical Education at the NIH Clinical Center on Physician Careers in Academia and Clinical Research (CC)

SUMMARY: Under the provisions of Section 3507(a)(1)(D) of the Paperwork Reduction Act of 1995, the National Institutes of Health (NIH) has submitted to the Office of Management and Budget (OMB) a request for review and approval of the information collection listed below. This proposed information collection was previously published in the Federal Register on December 15, 2015, pages 77647 - 77648 and allowed 60-days for public comment. No public comments were received. The purpose of this notice is to allow an additional 30 days for public comment. The NIH Clinical Center (CC), National Institutes of Health, may not conduct or sponsor, and the respondent is not required to respond to, an information collection that has been extended, revised, or implemented on or after October 1, 1995, unless it displays a currently valid OMB control number.

DIRECT COMMENTS TO OMB: Written comments and/or suggestions regarding the item(s) contained in this notice, especially regarding the estimated public burden and associated response time, should be directed to the: Office of Management and Budget,

Office of Regulatory Affairs, OIRA_submission@omb.eop.gov or by fax to 202-395-6974, Attention: NIH Desk Officer.

COMMENT DUE DATE: Comments regarding this information collection are best assured of having their full effect if received within 30-days of the date of this publication.

FOR FURTHER INFORMATION:

To request more information on the proposed project or to obtain a copy of the data collection plans and instruments, contact: Robert M. Lembo, MD, Office of Clinical Research Training and Medical Education, NIH Clinical Center, National Institutes of Health, 10 Center Drive, Room 1N252C, Bethesda, MD 20892-1158, or call non-toll-free number (301) 496-2636, or E-mail your request, including your address to: robert.lembo@nih.gov. Formal requests for additional plans and instruments must be requested in writing.

PROPOSED COLLECTION: The Impact of Clinical Research Training and Medical Education at the Clinical Center on Physician Careers in Academia and Clinical Research, Revision OMB#0925-0602 Expiration Date: 3/31/16, Clinical Center (CC), National Institutes of Health (NIH).

Need and Use of Information Collection: The information collected will allow continued assessment of the value of the training provided by the Office of Clinical Research

Training and Medical Education (OCRTME) at the NIH Clinical Center and the extent to which this training has promoted: (a) professional competence; (b) research productivity and independence; and (c) future career development within clinical, translational, and academic research settings. The information received from respondents is presented to, evaluated by, and incorporated into the ongoing operational improvement efforts of the Director of the OCRTME and the Director, NIH Clinical Center. This information will continue to support the ongoing operational improvement efforts of the OCRTME and its commitment to provide clinical research training and medical education of the highest quality to each trainee at the NIH Clinical Center.

OMB approval is requested for 3 years. There are no costs to respondents other than their time. The estimated annualized burden hour total is 320.
