SUPPLEMENTARY INFORMATION: Under the Paperwork Reduction Act of 1995 (PRA) (44 U.S.C. 3501-3520), federal agencies must obtain approval from the Office of Management and Budget (OMB) for each collection of information they conduct or sponsor. The term "collection of information" is defined in 44 U.S.C. 3502(3) and 5 CFR 1320.3(c) and includes agency requests or requirements that members of the public submit reports, keep records, or provide information to a third party. Section 3506(c)(2)(A) of the PRA (44 U.S.C. 3506(c)(2)(A)) requires federal agencies to publish a 30-day notice in the **Federal Register** concerning each

proposed collection of information, including each proposed extension or reinstatement of an existing collection of information, before submitting the collection to OMB for approval. To comply with this requirement, CMS is publishing this notice that summarizes the following proposed collection(s) of information for public comment:

1. Type of Information Collection Request: Revision of a currently approved collection; Title of Information Collection: Summary of Benefits and Coverage and Uniform Glossary; Use: The Affordable Care Act amends the Public Health Service Act (PHS Act) by adding section 2715 “Development and Utilization of Uniform Explanation of Coverage Documents and Standardized Definitions.” This section directs the Secretary, in consultation with the National Association of Insurance Commissioners (NAIC) and a working group comprised of stakeholders, to develop standards for use by a group health plan and a health insurance issuer in compiling and providing to applicants, enrollees, and policyholders and certificate holders a summary of benefits and coverage (SBC) explanation that accurately describes the benefits and coverage under the applicable plan or coverage. Section 2715 also requires 60-days advance notice of any material modification in any of the terms of the plan or coverage that is not reflected in the most recently provided summary and the development of standards for the definitions of terms used in health insurance coverage.

This information collection will ensure that approximately 90 million consumers shopping for or enrolled in private, individually purchased, or non-federal governmental group health plan coverage receive the consumer protections of the Affordable Care Act. Employers, employees, and individuals will use this information to compare coverage options prior to selecting coverage

and to understand the terms of, and extent of medical benefits offered by, their coverage (or exceptions to such coverage or benefits) once they have coverage. The Departments received comments in response to the ICR and they have been addressed in the Appendix. Form Number: CMS-10407 (OMB Control Number: 0938-1146); Frequency: Annually; Affected Public: State, Local, or Tribal Governments, Private Sector; Number of Respondents: 126,544; Total Annual Responses: 41,154,000; Total Annual Hours: 324,853.
