April 11, 2016

Self-Regulatory Organizations; Chicago Board Options Exchange, Incorporated; Notice of Filing and Immediate Effectiveness of a Proposed Rule to Amend the Fees Schedule

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the “Act”),¹ and Rule 19b-4 thereunder,² notice is hereby given that on April 1, 2016, Chicago Board Options Exchange, Incorporated (the “Exchange” or “CBOE”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend its Fees Schedule. The text of the proposed rule change is available on the Exchange’s website (<http://www.cboe.com/AboutCBOE/CBOELegalRegulatoryHome.aspx>), at the Exchange’s Office of the Secretary, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places

specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend its Fees Schedule, effective April 1, 2016. Specifically, the Exchange proposes to extend the current waiver of the VIX Index License Surcharge of \$0.10 per contract for Clearing Trading Permit Holder Proprietary ("Firm") (origin codes "F" or "L") VIX orders that have a premium of \$0.10 or lower and have series with an expiration of seven (7) calendar days or less. The Exchange adopted the current waiver to reduce transaction costs on expiring, low-priced VIX options, which the Exchange believed would encourage Firms to seek to close and/or roll over such positions close to expiration at low premium levels, including facilitating customers to do so, in order to free up capital and encourage additional trading. The Exchange initially proposed to waive the surcharge through March 31, 2016, at which time the Exchange stated that it would evaluate whether the wavier [sic] has in fact prompted Firms to close and roll over these positions close to expiration as intended. The Exchange believes the proposed change has in fact encouraged Firms to do so and as such, proposes to extend the waiver of the surcharge through December 2016, at which time the Exchange will reevaluate whether the wavier [sic] has continued to prompt Firms to close and roll over positions close to expiration at low premium levels. Accordingly, the Exchange proposes to delete the reference to the current waiver period of March 31, 2016 from the Fees Schedule and replace it with December 31, 2016.

2. Statutory Basis

The Exchange believes the proposed rule change is consistent with the Securities Exchange Act of 1934 (the "Act") and the rules and regulations thereunder applicable to

the Exchange and, in particular, the requirements of Section 6(b) of the Act.³ Specifically, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)⁴ requirements that the rules of an exchange be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitation transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. Additionally, the Exchange believes the proposed rule change is consistent with Section 6(b)(4) of the Act,⁵ which requires that Exchange rules provide for the equitable allocation of reasonable dues, fees, and other charges among its Trading Permit Holders and other persons using its facilities.

The Exchange believes it's reasonable to continue to waive the VIX Index License Surcharge for Clearing Trading Permit Holder Proprietary VIX orders that have a premium of \$0.10 or lower and have series with an expiration of 7 calendar days or less because the Exchange wants to continue encouraging Firms to roll and close over positions close to expiration at low premium levels. The Exchange notes that without the waiver, firms are less likely to engage in these transactions, as opposed to other VIX transactions, due to the associated transaction costs. The Exchange believes it's equitable and not unfairly discriminatory to limit the waiver to Clearing Trading Permit Holder

⁵ 15 U.S.C. 78f(b)(4).

Proprietary orders because they contribute capital to facilitate the execution of VIX customer orders with a premium of \$0.10 or lower and series with an expiration of 7 calendar days or less. Finally, the Exchange believes it's reasonable, equitable and not unfairly discriminatory to provide that the surcharge will be waived through December 2016, as it gives the Exchange additional time to evaluate if the waiver [sic] is continuing to have the desired effect of encouraging these transactions.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule changes will impose any burden on competition that are not necessary or appropriate in furtherance of the purposes of the Act. The Exchange does not believe that the proposed rule change will impose any burden on intramarket competition that is not necessary or appropriate in furtherance of the purposes of the Act because the proposed change applies to all Firms, and while the waiver only applies to Firm orders, Firms contribute capital to facilitate the execution of VIX customer orders with a premium of \$0.10 or lower and series with an expiration of 7 days or less.

The Exchange does not believe that the proposed rule changes will impose any burden on intermarket competition that is not necessary or appropriate in furtherance of the purposes of the Act because the proposed change only affects trading on CBOE. To the extent that the proposed changes make CBOE a more attractive marketplace for market participants at other exchanges, such market participants are welcome to become CBOE market participants.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

The Exchange neither solicited nor received comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A) of the Act⁶ and paragraph (f) of Rule 19b-4⁷ thereunder. At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission will institute proceedings to determine whether the proposed rule change should be approved or disapproved.
