Primary: Any Federal Firearms Licensee (FFL) or State Point of Contact (POC) requesting access to conduct National Instant Criminal Background Check Systems (NICS) checks telephonically or by the Internet through the NICS E-Check.

Other: Federal, State, local or tribal government.

Abstract: The Brady Handgun Violence Prevention Act of 1993 required the United States Attorney General to establish a national instant criminal background check system that any FFL may contact, by telephone or by other electronic means, for information to be supplied immediately, on whether receipt of a firearm to a prospective purchaser would violate state or federal law. Information pertaining to licensees who may contact the NICS is being collected to manage

and control access to the NICS and to the NICS E-Check, to ensure appropriate resources are available to support the NICS and also to ensure the privacy and security of NICS information.

- 5     *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:*

The completion of the Federal Firearms Licensee (FFL) Enrollment/National Instant Criminal Background Check System (NICS) E-Check Enrollment Form is estimated that there are 406 respondents each month, 4,872 (406 X 12) annual responses, and that each response takes approximately two minutes, time to complete the form is estimated to be three minutes; and the time to assemble, mail, or fax the form to the FBI is estimated to be three minutes, for a total of 8 minutes per form. Total completion time is 4872 X 8/60 = 650 hours.

The completion of the Federal Firearms Licensee (FFL) Officer/Employee Acknowledgment of Responsibilities under the NICS form is estimated to take approximately three minutes to read the responsibilities and two minutes to complete the form, for a total of five minutes. The average hour burden for this specific forms is 6,000 X 5 minutes/60 = 250 hours.

6       *An estimate of the total public burden (in hours) associated with the collection:*

The entire process of reading the letter and completing both forms would take 15 minutes per respondent. The average hour burden for completing both forms and reading the accompanying letter would be 4,872 X 15/60 = 1,218 hours.
