SUPPLEMENTARY INFORMATION:

TITLE; ASSOCIATED FORM; AND OMB NUMBER: Special Needs Program Management Information System (SNPMIS); OMB Control Number; 0720-XXXX.

NEEDS AND USES: Special Needs Program Management Information System (SNPMIS) provides access to a comprehensive program of therapy, medical support, and social services for young Department of Defense (DoD) Military Health System (MHS)

beneficiaries with special needs. SNPMIS is the Military Health System (MHS) automated information system designed to ensure the DoD meets the unique information requirements associated with implementation of the Individuals with Disabilities Education Act (IDEA). SNPMIS captures records referral, evaluation, eligibility, and service plan data for children with special needs who are eligible for MHS services under IDEA. Management reports provide historical analysis to monitor ongoing improvements in quality of care initiatives. It also allows program managers to identify areas where additional services are needed. At the service level, activities of different programs can be compared to determine best practices that can be implemented throughout the Educational and Developmental Intervention Services (EDIS) clinics. The system's remote function allows EDIS staff members to enter a young beneficiary's data while conducting activities from that child's school or home.
