SUPPLEMENTARY INFORMATION: This ICR seeks to extend PRA authority for the Trade Adjustment Assistance Program Reserve Funding Request information collection. The DOL requires financial data for the Trade Adjustment Assistance (TAA) and North America Free Trade Agreement-TAA programs administered by States. Using Form ETA-9117, a State may request reserve funds before the final distribution to cover training costs, job search allowances, relocation allowances, employment and case

management services, and State administration of these benefits. Trade Act of 1974, as amended section 236(a)(2) authorizes this information collection. See 19 U.S.C. 2296(a)(2).

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. See 5 CFR 1320.5(a) and 1320.6. The DOL obtains OMB approval for this information collection under Control Number 1205-0275.

OMB authorization for an ICR cannot be for more than three (3) years without renewal, and the current approval for this collection is scheduled to expire on May 31, 2016. The DOL notes that existing information collection requirements submitted to the OMB receive a month-to-month extension while they undergo review. For additional substantive information about this ICR, see the related notice published in the Federal Register on March 11, 2016 (81 FR 12952).
