SUPPLEMENTARY INFORMATION:

Section 1320.8 (d), title 5, Code of Federal Regulations requires PHMSA to provide interested members of the public and affected agencies an opportunity to comment on information collection and recordkeeping requests. This notice identifies an information collection request that PHMSA will be submitting to OMB for renewal and extension. This information collection is contained in 49 CFR 171.6 of the Hazardous Materials Regulations (HMR; 49 CFR Parts 171-180). PHMSA has revised burden estimates, where appropriate, to reflect current reporting levels or adjustments based on changes in proposed or final rules published since the information collection was last approved. The following information is provided for the information collection: (1) title of the information collection, including former title if a change is being made; (2) OMB control number; (3) summary of the information collection activity; (4) description of affected public; (5) estimate of total annual reporting and recordkeeping burden; and (6) frequency of collection. PHMSA will request a three-year term of approval for the information collection activity and, when approved by OMB, publish a notice of the approval in the **Federal Register**.

PHMSA requests comments on the following information collection:

Title: Hazardous Materials Incident Reports

OMB Control Number: 2137-0039

Summary: This collection is applicable upon occurrence of an incident as prescribed in §§ 171.15 and 171.16. A Hazardous Materials Incident Report, DOT Form F 5800.1, must be completed by a person in physical possession of a hazardous material

at the time a hazardous material incident occurs in transportation, such as a release of materials, serious accident, evacuation, or closure of a main artery. Incidents meeting criteria in § 171.15 also require a telephonic report. This information collection enhances the Department's ability to evaluate the effectiveness of its regulatory program, determine the need for regulatory changes, and address emerging hazardous materials transportation safety issues. The requirements apply to all interstate and intrastate carriers engaged in the transportation of hazardous materials by rail, air, water, and highway.

Affected Public: Shippers and carriers of hazardous materials.

Annual Reporting and Recordkeeping Burden:

Number of Respondents: 1,781

Total Annual Responses: 17,810

Total Annual Burden Hours: 23,746

Frequency of collection: On occasion

Signed in Washington, DC, on June 21, 2016.

William S. Schoonover,
Deputy Associate Administrator,
Pipeline and Hazardous Materials Safety Administration.
