SEC File No. 270-0088, OMB Control No. 3235-0083

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (“PRA”) (44 U.S.C. 3501 et seq.), the Securities and Exchange Commission (“Commission”) is soliciting comments on the existing collection of information provided for in Rule 15Ba2-1 (17 CFR 240.15Ba2-1) and Form MSD (17 CFR 249.1100), under the Securities and Exchange Act of 1934 (15 U.S.C. 78a et seq.) (“Exchange Act”). The Commission plans to submit this existing collection of information to the Office of Management and Budget (“OMB”) for extension and approval.

Rule 15Ba2-1 provides that an application for registration with the Commission by a bank municipal securities dealer must be filed on Form MSD. The Commission uses the information obtained from Form MSD filings to determine whether bank municipal securities dealers meet the standards for registration set forth in the Act, to maintain a central registry where members of the public may obtain information about particular bank municipal securities dealers, and to develop risk assessment information about bank municipal securities dealers.

Based upon past submissions, the staff estimates that approximately 21 respondents will utilize this application procedure annually. The staff estimates that the average number of hours necessary to comply with the requirements of Rule 15Ba2-1 and Form MSD is 1.5 hours per

respondent, for a total burden of approximately 31.5 hours per year. The staff estimates that the average internal compliance cost per hour is approximately \$343. Therefore, the estimated total annual cost of compliance for the respondents is approximately \$10,805.

Written comments are invited on: (a) whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information under the PRA unless it displays a currently valid OMB control number.
