Collection of Information on Claims of U.S. Nationals Referred to the Commission by the
Department of State Pursuant to Section 4(A)(1)(C) of the International Claims Settlement
Act of 1949, as Amended, 22 U.S.C. § 1623(a)(1)(C).

AGENCY: Foreign Claims Settlement Commission, Department of Justice

ACTION: 30-day notice.

SUMMARY: The Foreign Claims Settlement Commission (Commission), Department of Justice, will be submitting the following information collection request to the Office of Management and Budget (OMB) for review and clearance in accordance with the procedures of the Paperwork Reduction Act of 1995. This proposed information collection was previously published in the Federal Register at 81 FR 39967, on June 20, 2016, allowing for a 60 day comment period.

DATES: The purpose of this notice is to allow for an additional 30 days for public comment until **[INSERT DATE 30 DAYS AFTER DATE OF PUBLICATION IN THE FEDERAL REGISTER]**.

FOR FURTHER INFORMATION CONTACT: Written comments and/or suggestions regarding the items contained in this notice, especially the estimated public burden and associated response time, should be directed to Jeremy LaFrancois, Foreign Claims Settlement Commission, 600 E Street, NW, Suite 6002, Washington, DC 20579. Written comments and/or

suggestions can also be directed to the Office of Management and Budget, Office of Information and Regulatory Affairs, Attention Department of Justice Desk Officer, Washington, DC 20503 or sent to OIRA_submissions@omb.eop.gov.

Written comments and suggestions from the public and affected agencies concerning the proposed collection of information are encouraged. Your comments should address one or more of the following four points:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.
