SUPPLEMENTARY INFORMATION: As required by section 10(a)(2) of the Federal Advisory Committee Act, 5 U.S.C. App. (1982) and its implementing regulations, *see* 41 CFR 102-3.155, notice is hereby given of the meeting of ACCRES. ACCRES was established by the Secretary of Commerce (Secretary) on May 21, 2002, to advise the Secretary of Commerce through the Under Secretary of Commerce for Oceans and Atmosphere on matters relating to the U.S. commercial remote sensing space industry and on [the National Oceanic and Atmospheric Administration]’s activities to carry out the responsibilities of the Department of Commerce set forth in the National and Commercial Space Programs Act of 2010 (51 U.S.C. 60101 *et seq.*).

#### Exceptional Circumstances

Pursuant to 41 CFR 102-3.150, the notice for this meeting is being given fewer than 15 calendar days prior to the meeting due to the following exceptional circumstances: (i) the review and clearance process for the Notice of Determination to partially close the meeting, which is required under 41 CFR 102-3.155, involved administrative and timing limitations, including in this instance the additional delay resulting from the Labor Day holiday; and (ii) due to preexisting commitments and statutorily-established deadlines, delaying the September 21, 2016 meeting would make it substantially more difficult for ACCRES to complete its required consultation on the report mandated by Section 202 of the *U.S. Commercial Space Launch and Competitiveness Act*, Pub. L. 114-90.

### Purpose of the Meeting and Matters to Be Considered

The first part of the meeting will be open to the public pursuant to Section 10(a)(1) of the Federal Advisory Committee Act, 5 U.S.C. App. 2 (FACA). During the open portion of the meeting, the Committee will receive updates on NOAA's Commercial Remote Sensing Regulatory Affairs activities. The Committee will also be available to receive public comments on its activities.

The second part of the meeting will be closed to the public pursuant to Section 10(d) of FACA as amended by Section 5(c) of the Government in Sunshine Act, P.L. 94-409 and in accordance with Section 552b(c)(1) of Title 5, United States Code, which authorizes closure of meetings likely to disclose matters that are “specifically authorized under criteria established by Executive order to be kept secret in the interests of national defense or foreign policy and . . . in fact properly classified pursuant to such Executive order.” The part of the meeting which will be closed will address the ongoing review and implementation of the 2015 U.S. Commercial Space Launch Competitiveness Act and related national security, foreign policy concerns and future technology considerations for NOAA's licensing decisions. These discussions are likely to disclose matters that are specifically authorized under criteria established by Executive Order 13526 to be kept secret in the interest of national defense or foreign policy and are in fact properly classified pursuant to such Executive Order. In compliance with Section 10(d) of FACA and 41 CFR 102-3.155, ACCRES has obtained an agency determination of closure, and the notice of this determination is available upon request.

### Special Accommodations

The meeting is physically accessible to people with disabilities. Requests for special accommodations may be directed to ACCRES, NOAA/NESDIS/CRSRA, 1335 East West Highway, Room 8260, Silver Spring, Maryland 20910.

In general, each individual or group making an oral presentation may be limited to a total time of five minutes. Written comments (provide at least 20 copies) sent to NOAA/NESDIS/CRSRA on or before September 21, 2016 will be provided to Committee members in advance of the meeting.
