SUPPLEMENTARY INFORMATION: The Reasonable Accommodation Records system covers USAID reasonable accommodation activities related to current and former USAID employees and applicants. The Rehabilitation Act requires USAID to provide reasonable accommodation to qualified applicants and employees with disabilities if known or requested, unless the accommodation would impose undue hardship on USAID. Reasonable accommodations provide modifications or adjustments to: (1) the job application process that enables a qualified applicant with a disability to enjoy equal employment opportunities available to persons without disabilities; (2) the work environment; and/or (3) the manner in which a position is customarily performed. The Reasonable Accommodation Records system allows USAID to collect, use, maintain, and disseminate the records needed to process, manage, and resolve reasonable accommodation requests. Records include the requests, documentation related to the request, disposition of the requests, and reasonable accommodations provided by USAID.
