Collection of Information

Title: FEMA Preparedness Grants: Port Security Grant Program (PSGP).

Type of Information Collection: Revision of a currently approved information collection.

OMB Number: 1660-0114.

FEMA Forms: FEMA Form 089-5, PSGP Investment Justification.

Abstract: The previous version of FEMA Form 089-5 is outdated and has become cumbersome with subsequent program explanations within the notice of funding opportunity explaining the type of information required. The revised form consolidates the requested information and provides easy to follow drop-down boxes to minimize confusion among applicants, reducing time needed to collect the information for both applicants and FEMA, and reducing the review time by FEMA and federal partners.

Affected Public: State, Local or Tribal Government; Business or other for-profit.

Number of Respondents: 597.

Number of Responses: 1,223.

Estimated Total Annual Burden Hours: 17,154 hours.

Estimated Cost: The estimated annual cost to respondents for the hour burden is \$1,094,112.60. There are no annual costs to respondents' operations and maintenance costs for technical services. There are no annual start-up or capital costs. The cost to the Federal Government is \$770,401.

Comments may be submitted as indicated in the ADDRESSES caption above. Comments are solicited to (a) evaluate whether the proposed data collection is necessary for the proper performance of the agency, including whether the information shall have practical utility; (b) evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used; (c) enhance the quality, utility, and clarity of the information to be collected; and (d) minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.
