### **SUPPLEMENTARY INFORMATION:**

#### **I. Abstract**

This collection is needed to provide a procedure for persons or organizations listed on the Entity

List to request removal or modification of the entry that affects them. The Entity List appears at 15 CFR part 744, Supp. No. 1. The Entity List is used to inform the public of certain parties whose presence in a transaction that is subject to the Export Administration Regulations (15 CFR parts 730-799) requires a license from the Bureau of Industry and Security (BIS). Such requests would be reviewed by the Departments of Commerce, State, and Defense, and Energy and Treasury as appropriate. The interagency decision, as communicated to the requesting entity by BIS, would be the final agency action on such a request. This is a voluntary collection.

## **II. Request for Comments**

Comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden (including hours and cost) of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.
