**ENVIRONMENTAL PROTECTION AGENCY**

**40 CFR Part 52**

**[EPA-R03-OAR-2016-0308; FRL-9954-17-Region 3]**

**Approval and Promulgation of Air Quality Implementation Plans;  
Virginia; Removal of Stage II Gasoline Vapor Recovery Requirements for Gasoline  
Dispensing Facilities**

**AGENCY:** Environmental Protection Agency (EPA).

**ACTION:** Proposed rule.

**SUMMARY:** The Environmental Protection Agency (EPA) proposes to approve the state implementation plan (SIP) revision submitted by the Commonwealth of Virginia for the purpose of removing the requirement for gasoline vapor recovery equipment on gasoline dispensing pumps (otherwise referred to as Stage II vapor recovery, or simply as Stage II) in Virginia area facilities formerly required to have installed and operated Stage II vapor recovery controls under the prior, approved Virginia SIP. In the Rules and Regulations section of this **Federal Register**, EPA is approving the Commonwealth's SIP submittal as a direct final rule without prior proposal because the Agency views this as a noncontroversial submittal and anticipates no adverse comments. A detailed rationale for EPA's approval of Virginia's Stage II-related SIP revision with amended regulations addressing vapor recovery is set forth in the direct final rule. If no adverse comments are received in response to this action, no further activity is contemplated. If EPA receives adverse comments, the direct final rule will be withdrawn and all public comments received will be addressed in a subsequent final rule based on this proposed rule. EPA will not institute a second comment period. Any parties interested in commenting on this action should

do so at this time.

**DATES:** Comments must be received in writing by **[INSERT DATE 30 DAYS AFTER DATE OF PUBLICATION IN THE FEDERAL REGISTER]**.

**ADDRESSES:** Submit your comments, identified by Docket ID No. EPA-R03-OAR-2016-0308 at <http://www.regulations.gov>, or via email to [pino.maria@epa.gov](mailto:pino.maria@epa.gov). For comments submitted at [Regulations.gov](http://www.regulations.gov), follow the online instructions for submitting comments. Once submitted, comments cannot be edited or removed from [Regulations.gov](http://www.regulations.gov). For either manner of submission, the EPA may publish any comment received to its public docket. Do not submit electronically any information you consider to be confidential business information (CBI) or other information whose disclosure is restricted by statute. Multimedia submissions (audio, video, etc.) must be accompanied by a written comment. The written comment is considered the official comment and should include discussion of all points you wish to make. The EPA will generally not consider comments or comment contents located outside of the primary submission (i.e. on the web, cloud, or other file sharing system). For additional submission methods, please contact the person identified in the “For Further Information Contact” section. For the full EPA public comment policy, information about CBI or multimedia submissions, and general guidance on making effective comments, please visit <http://www2.epa.gov/dockets/commenting-epa-dockets>.

**FOR FURTHER INFORMATION CONTACT:** Brian Rehn, (215) 814-2176, or by e-mail at [rehn.brian@epa.gov](mailto:rehn.brian@epa.gov).

**SUPPLEMENTARY INFORMATION:**

For further information, please see the information provided in the direct final action, with the same title, that is located in the Rules and Regulations section of this issue of the **Federal Register**.

Dated: September 29, 2016.

Shawn M. Garvin,  
Regional Administrator,  
Region III.
