The Department of Justice Attorney Student Loan Repayment Program (ASLRP) is an agency recruitment and retention incentive program based on 5 U.S.C. 5379, as amended, and 5 CFR part 537. Anyone currently employed as an attorney or hired to serve in an attorney position within the Department may request consideration for the

ASLRP. The Department selects new participants during an annual open season each spring and renews current beneficiaries who remain qualified for these benefits, subject to availability of funds. There are two application forms—one for new requests, and the other for renewal requests. A justification form (applicable to new requests only) and a loan continuation form complete the collection.

5. *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* The Department anticipates about 275 respondents annually will complete the new request form and justification form and apply for participation in the ASLRP. In addition, each year the Department expects to receive approximately 110 applications from attorneys requesting renewal of the benefits they received in previous years. It is estimated that each new request (including justification) will take two (2) hours to complete, and each renewal request approximately 20 minutes to complete.

6. *An estimate of the total public burden (in hours) associated with the collection:*
- The estimated public burden associated with this collection is 586 hours, 40 minutes. It is estimated that new applicants will take 2 hours to complete the request form and justification and that current recipients requesting continued funding will take 20 minutes to complete a renewal form. The burden hours for collecting respondent data, 586 hours, 40 minutes, are calculated as follows: $275 \text{ new respondents} \times 2 \text{ hours} = 550 \text{ hours}$, plus $110 \text{ renewing respondents} \times 20 \text{ minutes} = 36 \text{ hours, 40 minutes}$.
