I. Establishment of Working Group

Section 504(a) of the Trade Facilitation and Trade Enforcement Act of 2015 (“Act”), amended the Export Enhancement Act of 1988 to add a new section 2313A. Section 2313A notes that U.S. policy is to promote exports as an opportunity for small businesses, and in exercising their powers and functions to advance that policy, all Federal agencies shall work constructively with State and local agencies engaged in export promotion and export financing activities. Section 2313A directs the President to establish the State and Federal Export Promotion Coordination Working Group (“Working Group”) under the TPCC with the purposes to:

- (1) identify issues related to the coordination of Federal resources relating to export promotion and export financing with such resources provided by State and local governments;
- (2) identify ways to improve coordination with respect to export promotion and export financing activities through the TPCC annual strategic plan;
- (3) develop a strategy for improving coordination of Federal and State resources relating to export promotion and export financing, including methods to eliminate duplication of effort and overlapping functions; and

(4) develop a strategic plan for considering and implementing the suggestions of the Working Group as part of the TPCC annual strategic plan.

The President issued Executive Order No. 13733, Delegation of Certain Authorities and Assignment of Certain Functions under the Trade Facilitation and Trade Enforcement Act of 2015, on July 22, 2016, assigning to the Secretary of Commerce the function under Section 2313A(b) of establishing the Working Group. In the Executive Order, the President further directed that, in carrying out its functions, the State and Federal Export Promotion Coordination Working Group shall also coordinate with local and municipal governments representing regionally diverse areas.

II. Member and Meeting Information

The Secretary of Commerce shall select the members of the Working Group, who shall include representatives from State trade agencies and local and municipal governments representing regionally diverse areas and representatives of the federal departments and agencies that are represented on the TPCC. The Working Group will comprise up to sixteen members.

Representatives from State trade agencies must be: (1) elected officers of a State, or (2) State employees designated by an elected State officer to represent the State trade agency with authority to act on his or her behalf. Representatives from local and municipal governments must be: (1) elected officers or (2) local or municipal employees designated by an elected officer to represent the local and municipal government with authority to act on his or her behalf.

Because the Working Group will be an intergovernmental committee composed wholly of full-time or part-time Federal Government officers or employees, State government elected officers or their designees, and local and municipal elected officials or their designees, all of whom will be acting in their official capacities solely to exchange views, information, or advice relating to

the management and implementation of Federal programs established by statute that explicitly share intergovernmental responsibilities and administration, the Working Group is not covered by the Federal Advisory Committee Act, 5 U.S.C. App.

Members appointed as representatives from State trade agencies and local and municipal governments will not receive any Federal compensation for their services and will not be reimbursed for travel expenses. Meetings will be held in person and/or via teleconference. The TPCC will make every effort to use technology to allow for remote participation in meetings, but there will be times when in-person meetings will be necessary. The TPCC will strive to provide members of the Working Group notice of meetings at least 15 calendar days in advance.

III. Request for Nominations

The TPCC Secretariat seeks nominations for representatives from State trade agencies and local and municipal governments to the Working Group. For purposes of this notice, a “State trade agency” is the lead official governmental trade promotion agency for a State, and includes separately established trade agencies as well as trade offices within a State agency or department or the Office of the Governor. A “local or municipal government” includes, but is not limited to, town, city, and county governments. The TPCC seeks representation of regionally diverse areas. Qualified individuals may self-nominate or be nominated by a senior level State government or local or municipal government official. To be considered, nominators should submit the following information:

(1) Name, title, and relevant contact information (including phone and email address) for the nominee, the state trade agency that the nominee would represent or the local or municipal government the nominee would represent;

(2) A resume or short biography of the nominee, including professional and academic credentials.

(3) A statement of the nominee's role in state, local, or municipal export promotion activities.

Should more information be needed, TPCC staff will contact the nominee. If nominees are not an elected official, a letter may be requested from an elected official that indicates the nominee has been designated to participate in the Working Group on his or her behalf.

Nominators should submit the above information via electronic transmission to

StateandLocal@trade.gov. The submission must be received on or before 5:00 p.m. (ET) on November 25, 2016. Nominations submitted in response to the prior notice, including those received after October 24, 2016, will be considered and do not need to be resubmitted.

Dated: November 8, 2016.
