AGENCY: Departmental Offices, Department of the Treasury.

ACTION: Notice of reporting requirements.

SUMMARY: By this Notice and in accordance with 31 CFR 129, the Department of the Treasury is informing the public that it is conducting a mandatory survey of ownership of foreign securities by U.S. residents as of December 31, 2016. This Notice constitutes legal notification to all United States persons (defined below) who meet the reporting requirements set forth in this Notice that they must respond to, and comply with, this survey. The reporting form SHC (2016) and instructions may be printed from the Internet at:

<https://www.treasury.gov/resource-center/data-chart-center/tic/Pages/forms-sh.aspx#shc>

DEFINITION: Pursuant to 22 USC §3102 a United States person is any individual, branch, partnership, associated group, association, estate, trust, corporation, or other organization (whether or not organized under the laws of any State), and any government (including a foreign government, the United States Government, a State or local government, and any agency, corporation, financial institution, or other entity or instrumentality thereof, including a government-sponsored agency), who resides in the United States or is subject to the jurisdiction of the United States.

WHO MUST REPORT: The following U.S. persons must report on this survey:

- U.S. persons who manage, as custodians, the safekeeping of foreign securities for themselves and other U.S. persons. These U.S. persons, who include the affiliates in the United States of foreign entities, must report on this survey if the total fair value of the foreign securities whose safekeeping they manage on behalf of U.S. persons -- aggregated

over all accounts and for all U.S. branches and affiliates of their firm -- is \$200 million or more as of the close of business on December 31, 2016.

- U.S. persons who own foreign securities for their own portfolios and/or who invest in foreign securities on behalf of others, such as investment managers/fund sponsors. These U.S. persons (referred to as “end-investors”), who include the affiliates in the United States of foreign entities, must report on this survey if the total fair value of these foreign securities -- aggregated over all accounts and for all U.S. branches and affiliates of their firm -- is \$200 million or more as of the close of business on December 31, 2016.
- U.S. persons who are notified by letter from the Federal Reserve Bank of New York. These U.S. persons must file Schedule 1, even if the recipient of the letter is under the reporting threshold of \$200 million and need only report “exempt” on Schedule 1. These U.S. persons who meet the reporting threshold must also file Schedule 2 and/or Schedule 3.

WHAT TO REPORT: This report will collect information on holdings by U.S. residents of foreign securities, including equities, long-term debt securities, and short-term debt securities (including selected money market instruments).
