(Release No. 34-79447; File No. SR-NASDAQ-2016-163)

December 1, 2016

Self-Regulatory Organizations; The NASDAQ Stock Market LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change to Change the Titles of Equities Rule 7015 and Options Chapter XV, Section 3, and to Make Related Changes

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”)¹, and Rule 19b-4 thereunder,² notice is hereby given that on November 28, 2016, The NASDAQ Stock Market LLC (“Nasdaq” or “Exchange”) filed with the Securities and Exchange Commission (“SEC” or “Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of the Substance of the Proposed Rule Change

The Exchange proposes to rename the title of rules that assess fees for connectivity to systems operated by the Exchange or FINRA under Equities Rule 7015 and Options Chapter XV, Section 3, and to make related changes to other rules that reference the renamed rules.

The text of the proposed rule change is available on the Exchange’s Website at <http://nasdaq.cchwallstreet.com>, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the

proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of the proposed rule change is to rename related text in Rule 7015 and Chapter XV, Section 3, to more accurately reflect the services being provided and eliminate an outdated term. Both Rule 7015 and Chapter XV, Section 3, include connectivity to services that are not related to connecting to the Exchange trading system, such as TradeInfo,³ Specialized Services Related to FINRA/NASDAQ Trade Reporting Facility,⁴ and the NASDAQ IPO Workstation.⁵ As a consequence, the Exchange believes that it is appropriate to rename the title of Rule 7015 as “Ports and other Services” and rename the title of Chapter XV, Section 3, as “NASDAQ Options Market – Ports and other Services,” which the Exchange believes more accurately describe the depth and breadth of services provided to members under those rules.

The Exchange is also proposing to amend reference to the title of Rule 7015 in Rule 7007(a), which is titled “Collection of Exchange Fees and Other Claims and Billing Policy,” and

³ TradeInfo is an Internet-based tool that, among other things, allows users to view all of the NASDAQ order and execution information for their entire firm for both equities and options through a single interface. TradeInfo may be subscribed to under both Rule 7015 and Chapter XV Section 3.

⁴ Specialized Services Related to FINRA/NASDAQ Trade Reporting Facility includes WebLink ACT or Nasdaq Workstation Post Trade, and ACT Workstation. See Rule 7015(e).

⁵ The NASDAQ IPO Workstation provides subscribing member firms with the IPO Indicator service, which provides information on order execution that would be received in an IPO during the launch process.

is also amending reference to the title of Chapter XV, Section 3, found under Section 7(c)(2) of Chapter XV to reflect the amended titles of Rule 7015 and Chapter XV, Section 3.

2. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act,⁶ in general, and furthers the objectives of Section 6(b)(5) of the Act,⁷ in particular, in that it is designed to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general to protect investors and the public interest, by clarifying applicability of rules whose current titles could confuse market participants. Specifically, the Exchange is eliminating the term “Access” and replacing it with the phrase “Ports and other” because the new titles will more accurately describe the depth and breadth of services provided to members under Rule 7015 and Chapter XV, Section 3. As explained above, the various connectivity and services offered under Rule 7015 and Chapter XV, Section 3, include services listed that are not related to connecting to the Exchange such as TradeInfo, Specialized Services Related to FINRA/NASDAQ Trade Reporting Facility, or the NASDAQ IPO Workstation. These services allow members to view information and are not related to connecting to the Exchange. Thus, the changes proposed herein do not impact the fees, connectivity or services described under Rule 7015 and Chapter XV, Section 3, but rather merely clarify and harmonize the terminology used to better align it with what is provided under the rules.

B. Self-Regulatory Organization’s Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. The

⁷ 15 U.S.C. 78f(b)(5).

Exchange believes that, to the extent it has any impact on competition, the proposed change will promote competition by making it clear to all market participants and exchange competitors what is provided under Rule 7015 and Chapter XV, Section 3.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A)(iii) of the Act⁸ and subparagraph (f)(6) of Rule 19b-4 thereunder.⁹

A proposed rule change filed under Rule 19b-4(f)(6) normally does not become operative for 30 days after the date of its filing. However, Rule 19b-4(f)(6)(iii)¹⁰ permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has requested that the Commission waive the 30-day operative delay so that the proposed rule change will become operative on filing. The Exchange stated that the proposed rule change promotes the protection of investors and the public interest by clarifying and harmonizing the terminology used in the Exchange's rules. Waiver of the operative delay would allow the Exchange, without delay, to rename the rules to make clear what the rules cover, therefore, the Commission believes that waiver of the 30-day operative delay is

¹⁰ 17 CFR 240.19b-4(f)(6)(iii).

consistent with the protection of investors and the public interest. Therefore, the Commission designates the proposed rule change to be operative upon filing.¹¹

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule change should be approved or disapproved.
