**SUPPLEMENTARY INFORMATION:**

**Statutory Authority and Function:** The Governing Board is established under the National Assessment of Educational Progress Authorization Act, Title III of Pub. L. 107-279. Information on the Governing Board and its work can be found at [www.nagb.gov](http://www.nagb.gov).

The Governing Board is established to formulate policy for the National Assessment of Educational Progress (NAEP). The Governing Board's congressionally mandated responsibilities include developing appropriate student achievement levels for each grade and subject tested. Based on recommendations from policymakers, educators, and members of the general public, the Governing Board sets specific achievement levels for each subject area and grade assessed on The Nation's Report Card. Achievement levels are performance standards that show what students should know and be able to do. Results are reported as percentages of students performing at or above the Basic and Proficient levels, and at the Advanced level. Additional information on the achievement levels can be found at <https://nagb.gov/publications/achievement.html>

The National Assessment Governing Board's standing committees, the Executive Committee and the Committee on Standards, Design and Methodology (COSDAM) will participate in a conference call on Monday, December 19<sup>th</sup> from 6:00 – 7:00 pm EST. The

purpose of the call is to discuss and take action on the Governing Board's response to the recommendations of the November 2016 evaluation of NAEP achievement levels conducted by the National Academies of Sciences. The report titled *Evaluation of the Achievement Levels for Mathematics and Reading on the National Assessment of Educational Progress* is available at the following URL:
