About the Council

In accordance with the North American Wetlands Conservation Act (Pub. L. 101-233, 103 Stat. 1968, December 13, 1989, as amended; NAWCA), the State-private-

Federal North American Wetlands Conservation Council (Council) meets to consider wetland acquisition, restoration, enhancement, and management projects for recommendation to, and final funding approval by, the Migratory Bird Conservation Commission (Commission). NAWCA provides matching grants to organizations and individuals who have developed partnerships to carry out wetlands conservation projects in the United States, Canada, and Mexico. These projects must involve long-term protection, restoration, and/or enhancement of wetlands and associated uplands habitats for the benefit of all wetlands-associated migratory birds. Project proposal due dates, application instructions, and eligibility requirements are available on the NAWCA Website at www.fws.gov/birds/grants/north-american-wetland-conservation-act.php.
