SUPPLEMENTARY INFORMATION: FEMA’s Emergency Management Institute (EMI) provides a wide variety of training to emergency management personnel throughout the country. The EMI Independent Study (IS) Program is part of the FEMA training program authorized under section 611(f) of the Robert T. Stafford Disaster Relief and Emergency Act, Public Law 93-288 as amended. These courses are offered online by EMI. The IS Program provides valuable training to Federal, State, local and Tribal emergency management personnel and the general citizenry of the United States without having to attend a resident course at EMI, or at a State-sponsored course. The IS program also includes a course on the National Incident Management System (NIMS). NIMS is our nation’s incident management system. Homeland Security Presidential Directive 5, “Management of Domestic Incidents,” requires the adoption of NIMS by all Federal departments and agencies. This directive also requires that Federal preparedness

assistance funding for States, Territories, local jurisdictions and Tribal entities be dependent on being NIMS compliant.
