Persons making ex parte presentations must file a copy of any written presentation or a memorandum summarizing any oral presentation within two business days after the presentation (unless a different deadline applicable to the Sunshine period applies). Persons making oral ex parte presentations are reminded that memoranda summarizing the presentation must (1) list all persons attending or otherwise participating in the meeting at which the ex parte presentation was made, and (2) summarize all data presented and arguments made during the presentation. If the presentation consisted in whole or in part of the presentation of data or arguments already reflected in the presenter’s written comments, memoranda or other filings in the proceeding, the presenter may provide citations to such data or arguments in his or her prior comments, memoranda, or other filings (specifying the relevant page and/or paragraph numbers where such data or arguments can be found) in lieu of summarizing them in the memorandum. SYNOPSIS: On February 4, 2011, the Commission released document FCC 11-16, Amendment of Certain of the Commission's Part 1 Rules of Practice and Procedure and Part 0 Rules of Commission Organization, Report and Order, 76 FR 24383, May 2, 2011, which revised portions of its Part 1 - Practice and Procedure and Part 0 - Organizational rules.

The revised rules, in part, delegate authority to the Chief, CGB to periodically review all open dockets and, in consultation with the responsible Bureaus or Offices, to identify those dockets that appear to be candidates for termination. These candidates include dockets in which no further action is required or contemplated, as well as those in which no pleadings or other documents have been filed for several years. However, the Commission specified that proceedings in which petitions addressing the merits are pending should not be terminated absent the parties' consent. The termination of a dormant proceeding also includes dismissal as moot of any pending petition, motion, or other request for relief that is procedural in nature or otherwise does not address the merits of the proceeding.

Prior to the termination of any particular proceeding, the Commission was directed to issue a Public Notice identifying the dockets under consideration for termination and affording interested parties an opportunity to comment. Thus, CGB has identified the dockets for possible termination in document DA 17-60, available at <https://www.fcc.gov/document/sixth-dormant-docketstermination-public-notice>.

FEDERAL COMMUNICATIONS COMMISSION.

D'wana Terry,

Acting Deputy Chief, Consumer and Governmental Affairs Bureau.
