IMAGE is designed to build cooperative relationships with the private sector to enhance compliance with immigration laws and reduce the number of unauthorized aliens within the American workforce. Under this program ICE will partner with businesses representing a cross-section of industries. A business will initially complete and prepare an IMAGE application so that ICE can properly evaluate the company for inclusion in the IMAGE program. The information provided by the company plays a vital role in determining its suitability for the program. While 8 U.S.C. 1324(a) makes it illegal to knowingly employ a person who is not in the U.S. legally, there is no requirement for any entity in the private sector to participate in the program and the information obtained from the company should also be available to the public.
